### 1. Summary of our findings (full details in section 4)

Part of permitted activity assessed (criteria)	Assessment result	Permit condition
WQ-B1 - Water Quality - Operations - Permitted activities	C4 No impact	2.2.1

Result types are explained in more detail in the 'Important Information' section below.

### 2. What action is required?

Criteria	Action needed	Complete by
WQ-B1	Following a response to CAR_NRW0048938 it has been confirmed that the actual discharge location for Corris Uchaf Wastewater treatment works does not match the one in the permit. Please ensure that the discharge location on site matches the discharge point in the permit. This will require Dwr Cymru to seek a permit variation. Please ensure Dwr Cymru apply for a permit Variation by 30/04/2026.	30/04/2026

Action criteria codes are listed in the 'Important information' section below.

### 3. What will happen next?

Any non-compliance we have identified and recorded on this form is an offence. It can result in criminal prosecution and/or suspension or revocation of your permit.

**At this time, we do not intend to take any further action.**

This statement does not stop us from taking additional enforcement action if further relevant information comes to light or offences continue.

### 4. Details of our assessment

CARS form generated following a response to CAR\_NRW0048938 on the 26/11/2025.

Dwr Cymru confirmed that the actual discharge location for Corris Uchaf Wastewater

treatment works does not match the one in the permit. Permit states that the works discharges to the Afon Deri at grid reference SH 74901 08548 when the actual discharge has been confirmed to be discharging to ground approximately around grid reference SH 74909 08432.

#### **Action Required**

- Please ensure that the discharge location on site matches the discharge point in the permit. This will require Dwr Cymru to seek a permit variation.

#### **Timescale**

- Please ensure Dwr Cymru apply for a permit variation by **30/04/2026** so that the correct discharge point is in the permit.

If you have any queries about this report, or to discuss completion of any actions, please contact the NRW Officer named above.

## Important information

### Legal status of this report

Your permit is issued to you under the Environmental Permitting Regulations. You have a responsibility to comply with the conditions of your permit and prevent pollution/harm to the environment. You must also ensure that you comply with any other relevant legislation that may apply to your site's operations.

This report explains the findings of our assessment and any action you are required to take. We categorise non-compliance using our guidance for assessing non-compliance at regulated sites.

When we find potential non-compliance/s we will normally give you advice on how to maintain compliance.

To correct non-compliance, we may:

- require you to take specific actions
- issue a notice
- review the conditions of your permit.

Any advice and guidance we give will be without prejudice to any other enforcement response that we consider may be required.

### Assessment results and non-compliance categories (used in section 1):

Assessment result	Description
Assessed (A)	Assessed or assessed in part, no evidence of non-compliance found
Action only (X)	Action only relating to the activity assessment
Ongoing (O)	Ongoing non-compliance, not scored

Non-compliance category	Description
C1 Major	Potential to have a major, serious, persistent and/or extensive impact or effect on the environment, people and/or property
C2 Significant	Potential to have a significant impact or effect on the environment, people and/or property
C3 Minor	Potential to have a minor or minimal impact or effect on the environment, people and/or property
C4 No environmental impact	Non-compliance at a regulated site that cannot foreseeably have any impact on the environment, people and/or property

### If your assessment result in Section 1 is suspended, what does this mean?

In line with our guidance, we may suspend non-compliance for up to six months to allow time for remedial action to be taken. These will be re-instated if the action is not completed.
