6 January 2026

Dear Mr. Skitt,

## **Frongoch ELV Site, Trisant, Ceredigion, SY23 4RL (Permit Ref: EPR-BB3296CU)**

Please find enclosed a copy of the Compliance Assessment Report (CAR) following the compliance assessment undertaken by myself on 16 December 2025.

Please read the report and check whether any actions are required. If you have actions, please let us know when they are complete. You must notify us immediately if you have any problems meeting the deadline(s).

Please note that all the non-compliances listed duplicates those listed on Compliance Report CAR\_NRW0050067 following my compliance visit on 01 October 2025. These non-compliances must be documented on all subsequent compliance reports but until the compliance deadline is reached, the scores are suspended and do not count towards the site compliance rating. If you do not comply with the action deadline, the score will be unsuspended and count against your site compliance rating.

This report will be placed on our Online Public Register 20 working days after the date of this letter. If you consider any of the information within the report to be commercially confidential and you do not think that it should be placed on our public register, you must contact us in writing, via email or post, within 15 working days of the date of this letter. When contacting us, you must specify which information you claim to be commercially confidential and explain why this information should not be placed on our public register. We will assess your claim and respond to you in writing within 20 working days of receiving it.

If you have any questions concerning this letter or the enclosed report, please contact me at the earliest chance.

Yours sincerely

Malcolm Dines  
Waste Regulation Officer
