ENVIRONMENT
AGENCY

Water Resources Act 1991
(as amended by the Environment Act 1995)

**Consent to Discharge
Certificate of Holder**

Part A

To: Lloyd Fraser (Bulk Liquids) Limited
C/O P K F, Pannell House
159 Charles Street
Leicester LE1 1LD

The Environment Agency ("The Agency") hereby confirms that the above named person(s) or body corporate is and has been since 01 October 2001 the registered holder of Consent S/01/22817/S.

Nature of Discharge(s): Treated Sewage Effluent
At: Four Crosses, Llanymynech, Powys

Note: This certificate should be kept with the consent document for future reference. If you transfer responsibility for the discharge to somebody else you must pass the consent to them and tell the Agency within 21 days. **Responsibility for the consent cannot be disclaimed by the holder but the registration of holder may be transferred to a successor.** To do this please complete the form below, then tear it off and return it to the address shown. If you fail to transfer the consent, even though you are no longer on the site, you may still be liable for prosecution for pollution. If you transfer the consent but do not tell us, you will be committing an offence. In case of any queries please contact your local Environment Agency office.

Part B Please complete in block capitals or type.

Dear Sir or Madam:

I write to advise you that after 31st October 1999, Ryder Plc will no longer be responsible for the Milk Marque Operation at this site, and will not accept any responsibility for goods or services purchased after that date.

Wherever possible, we would like to receive your invoice(s) for goods or services purchased to date at this site no later than Friday 29th October 1999. If this is not practicable for any reason, invoices purchased up to and including 31st October should be forwarded to address below.

Ryder Plc
Globe Lane
Dukinfield
Cheshire
SK16 4UL

For the attention of: Lindsey Farrell

For your information, the new contractor for this site with effect 01st November 1999 will be Messrs Lloyd Fraser (Dairy Services Ltd), and your invoices in respect of purchases from this date should continue to be forwarded to this site, addressed to the new contractor. The accounts office address, to which your statements should be forwarded, is as follows: -

Lloyd Fraser (Dairy Services Ltd)
6 The Terrace
Rugby Road
Lutterworth
Leicestershire
LE17 4BW

There will be no change to your normal contracts at this depot.

Yours Sincerely

Depot Contract Manager

Consent No S/1/22817/S

SCHEDULE

PREMISES FROM WHICH DISCHARGE IS MADE

Dairy Products Transport, Four Crosses, Llanymynech, Powys

NATURE OF DISCHARGE

Treated domestic sewage effluent and trade effluent consisting of vehicle washwater, either separately or in admixture after passing through a treatment plant

RECEIVING WATERS

Sarnwen Brook

CONDITIONS

- Ryder Plc
Ryder House
16 Bach Road
Slough*
- 1 The discharge of effluent shall be made only from an outlet located at OS National Grid Reference SJ 2720 1806 as shown marked "DISCHARGE POINT" on the attached Drawing No S/1/22817/S/1.
 - 2 Facilities for the taking of samples shall be provided and maintained to the satisfaction of the Authority and be accessible at all times to authorised officers of the Authority at an inspection chamber at the treatment plant.
 - 3 The composition of the effluent shall be such that
 - (a) the biochemical oxygen demand, determined in the presence of 0.5 milligrams per litre of allyl thiourea in 5 days at 20°C, shall not exceed 25 milligrams per litre.
 - (b) suspended solids, dried at 105°C, shall not exceed 45 milligrams per litre.
 - (c) there shall be no visible oil or grease in the receiving watercourse as a result of the discharge.
 - 4 The effluent shall be discharged such that the volume in any period of 24 consecutive hours shall not exceed 10 cubic metres.
