1. List of Community Facilities Baseline Assessment

1.1 Overview

- 1.1.1 This appendix provides details of community facilities of relevance to the preliminary assessment of the potential impacts and likely significant environmental effects of the of Connah's Quay Combined Cycle Gas Turbine (CCGT) with Carbon Capture Plant (CCP) and supporting infrastructure (hereafter referred to as the Proposed Development) with respect to Socio-Economics, Recreation and Tourism that are set out in **Chapter 19: Socio-Economics, Recreation and Tourism (EN010166/APP/6.2.19)**.
- 1.1.2 Community facilities are differentiated from businesses in that they provide services to individuals as well as employment, whereas for businesses, the predominant potential impact is on employment (Ref 1). **Table 1** presents the community facilities (including educational facilities) within 2 km of the Construction and Operational Area, which comprises the Order limits excluding the Accommodation Work Areas. This is shown on **Figure 3-3: Areas Described in the Environmental Statement (ES) (EN010166/APP/6.3)**. **Table 2** presents the community facilities (including educational facilities) within 2 km of the Accommodation Work Areas.
