To Owain Waters <owaters@ecovigour.com>

Good afternoon Owain,

Thank you for advising of the below works, and apologies for the delay in response.

I can confirm that Trinity House has no concerns regarding these works.

Kind regards,

Catherine Bransby

Subject: Notice of Upcoming Band 1 Works - (0839) Cleddau Bascule & (0450) LLA Tidal FLAP

Dear NMR, MCA and Trinity House,

MGroup on behalf of Network Rail will be undertaking structural assessments and repairs to the rail assets below:

Cleddau Grid Ref: SM9577815247

Works will involve scaffolding being fixed to the upper structure, with access towers erected on the upper banks.

LLA Tidal Flap: SN5619100957

Repairs to the tidal flap, based from the rail and adjacent bank (unlikely to have any navigation impacts).

I will forward the NRW Marine Reference number once it is provided.

I've attached a map and images of the works site in relation to the wider estuary downstream of the structures.

Kind Regards,

Owain
