

Our Ref: HP3394FV

Onyx Leigh Environmental Ltd
210 Pentonville Road,
London,
N1 9JY

Date: 06/02/2026

Dear Sir/Madam,

Changes to your permit

Permit reference: EPR/HP3394FV
Operator: Onyx Leigh Environmental Ltd
Facility: Bagillt Landfill Site

We are required to undertake periodic reviews of permits under The Environmental Permitting (England and Wales) Regulations 2016. We detail our regulatory approach and the general scope of these reviews in our [Regulatory Guidance Note No. 12 – Statutory periodic permit reviews](#). Permit reviews are required to check whether permit conditions continue to reflect appropriate standards and remain adequate in light of experience and new knowledge, and guard against permits becoming obsolete as techniques develop. This review will include landfills that ceased accepting waste prior to July 2001 or closed with the coming into force of the Landfill Directive. Our Briefing Note included with this letter explains the main changes you can expect to your permit and the reason for this review work.

Our Permitting Service, will carry out a regulator initiated variation which will also include the consolidation of your permit. We'll send you a draft copy of the changes to your permit, which will be shown in a variation notice, so you may comment on the changes.

Whilst we have the ability to charge you as the operator for this work, we will not be charging you in this instance. Please be aware that this does not preclude NRW from charging for future permit reviews, however we would notify you beforehand if we were to undertake another review of your permit in future. If you require any additional work to be carried out on your permit, in addition to the work we are undertaking you must inform us at the earliest opportunity and an application will need to be submitted. This application will be charged at the appropriate rate set out in [Natural Resources Wales / Our charging schemes](#).

Could you please confirm which language you would like to receive written correspondence from us – Welsh/English

Could you please confirm which language you would like to speak to us on the telephone or in face to face meetings – Welsh/English

Yours sincerely.

Sarah Walton
Closed Landfill Officer
