### **Introductory note**

#### **This introductory note does not form a part of the notice**

The following notice gives notice of the transfer of an environmental permit to a new operator (the transferee).

This is an operator initiated full transfer application to transfer the environmental permit for Mekatek Limited to Eco Technology Limited. There is no change in the installation's management structure as a result of this transfer. The existing Certificate of Technical Competence holders also remains the same.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
