Thank you for your application received on 18/10/2024 concerning the replacement of the filtration plant.

I need to ask you for some more information before I can do any more work on it. Please would you

- Provide an update to the Environmental Risk Assessment to cover the requirements in [NRW guidance](#). Provide this information in relation to:
 - accidents and incidents;
 - sensitive human and ecological receptors;
 - fugitive emissions;
 - emissions to water and land;
 - noise and vibration;
 - visible emissions;
 - odour; and
 - pathways from sources to receptors.
- If an updated risk assessment is not required (due to no changes to the environmental risks as a result of this variation) state this and provide evidence/justification for this.

If you need advice about how to complete the request, please contact your local area office. Call 0300 065 3000 and ask to speak to your local area office or your site officer.

Please reply within 10 working days from the date of this letter. If we don't hear from you we must return your application and fee. We will keep 14% of the charge to cover the cost of the
