Dear Company Secretary and/or Director

We need more information about your application

**Application reference: PAN-027261 (EPR/BK3638IF/V007)
Operator: Hydro Aluminium Deeside Limited
Facility: Wrexham Aluminium Works**

Thank you for the extra information you sent received on 22/10/2025.

Unfortunately I need to ask you for some more details before I can decide whether it's duly made or not.

Please would you:

- Provide an update to the H1 Risk Assessment to show:
 - The existing emissions parameters (for A1 and A12) at the permitted emission limits
 - The new emissions parameters (for A17) at the permitted emission limits
- Identify any Special Protection Areas (SPAs), Special Areas of Conservation (SACs) and Ramsar sites within 10km of your site. This is the screening distance required for installations with [emissions to air](#).
- State whether the potential impacts to human health and the environment (including protected sites) from the new emission point (i.e. new filtration plant) are either worse, the same or better than from the existing emission points. If the impacts are

worse, detailed air quality modelling will be required to determine the impacts on protected sites and human health.

Please reply within 10 working days from the date of this letter. If we don't hear from you we must return your application and fee.

If you need advice about how to respond to this request, please contact your local area office. Call 0300 065 3000 and ask to speak to your local area office or your site officer.

If you email or write to us please quote the application reference PAN-027261 on any correspondence and send it to the relevant address below.

When we receive the missing items we will continue to check the details in your application. If there's enough for us to begin the process of deciding whether or not we can grant your application we say the application is 'duly made' and we'll let you know this by letter.

Please quote our reference if you contact us. If you have any questions please email alice.burrows@naturalresourceswales.gov.uk.

Yours sincerely

Alice Burrows
