

APPLICATION FOR A BAND 1 MARINE LICENCE

To qualify as a Band 1 application, the activity should be low potential impact, and low risk.

IMPORTANT Please read the Band 1 Guidance Document on our website before completing this application form.

Under The Marine Licensing (Application Fees) (Wales) Regulations 2017, the following activities are eligible to be considered as Band 1 activities:

- (a) repair or replacement of bolts, flaps valves, decking on a pier or pontoon
- (b) removal of marine growth and guano from any building or structure or any part thereof
- (c) the installation of ladders at any building or structure
- (d) the deposit and subsequent removal of posts for the purposes of marking channels, shallow water areas, outfalls and groynes;
- (e) the deposit and subsequent removal of marker buoys
- (f) removal of discrete pieces of debris associated with construction; demolition, damage or disrepair of a building or structure using vehicles or vessel
- (g) The removal of litter using a vehicle or vessel.
- (h) any activity of a similar minor nature.

The specific activities listed in the regulations (a-g above) will always be classed as eligible for Band 1 licence application. However, granting of such a licence is not automatic. NRW Permitting Service are still required to consider the appropriateness of the activity before determining the licence application.

In addition to the specific activities listed above, The Marine Licensing (Application Fees) (Wales) Regulations 2017 refers to 'any activity of a similar minor nature'. The suitability of other activities is dependent on the nature and scale of the activity, and the environmental sensitivity of the area in which the activity will take place. For a more comprehensive list of activities that may be considered under a **Band 1 licence application refer to the guidance note.**

Check List

Please read the Guidance Note carefully before completing the application from.

Please ensure that you have included all the necessary information before you submit the application.

- Please submit applications to the **Permit Receipt Centre** via the details at the top of this form
- Please submit marine licence applications, including this form and all supporting documents, **at least 2 months before the licence is required.**
- Applications for Band 1 activities will go through a shortened and simplified process, compared to applications in the other bands. For applications which meet the Band 1 criteria, the usual consultation stage is replaced with standard conditions.
- Although the licensing process for Band 1 activities is shorter and more streamlined, an application for a Band 1 activity is not granted automatically; NRW permitting service will assess the suitability of the project to determine that all criteria are met.
- Band 1 licence applications are charged at £600 per application, and are intended to be used for low impact activities (see [Eligible Activities](#)). Band 1 applications do not need to be advertised in a local newspaper.

Please note applications will not be processed without the correct relevant fee or invoicing details.

- Payments can be made via Cheque, BACS or credit/debit card.

- Cheques should be crossed and made payable to **Natural Resources Wales**.
- For BACS payments ensure you provide the reference number (not remittance number)
