Dear Eleanor Keatley,

Certificate of Holder and Notice of Transfer

Water Resources Act 1991, Schedule 10 (as amended by the Environment Act 1995, Water Act 2003)

Consent number: BP0054301

Premises at: Llwynhendy, Llanelli, Carmarthenshire

Following your request of 11th of April 2007, I confirm that the above address is the new registered address for the Holder for this consent as from 11th of April 2007. I attach the new Certificate of Holder for your discharge consent (form WQP4). It gives your name and address as the Holder. You are responsible for the discharge; if you fail to comply with the conditions in the consent, you might be prosecuted.

Please keep this certificate in a safe place. If it is incorrect in any way, let me know and I will issue a new one. Please also write to me:

- if there is more than one holder, with: the name, address (including postcode) and telephone number of the other holder(s)
- if you are not the person who will pay the annual charge, with: the name, address (including postcode) and telephone number of the person who will pay it.

If you wish to transfer the consent in the future, both you and the proposed new holder need to complete the section 'Consent to discharge – Notice of Transfer' on the bottom half of the certificate. You both need to sign and date the form. You then send the whole form to us, keeping a copy for your records. Until the consent has been transferred, you will still be liable for any breach of consent and annual charges, even if you are no longer on site. We will process the transfer within 21 days of receiving it and will notify both you and the new holder when it has been done. The actual date of transfer will be the later of either the date you request, or the date on which I confirm the transfer has been processed.

If you have any queries please contact me.

Yours sincerely
