Summary of Submission Review

Natural Resources Wales has reviewed the annual monitoring returns submission provided by DCWW for the, LLYN BRENIG CERRIGYDRUDION CORWEN, Permit CG0375101.

During this review, it was identified that the monitoring data for the following months of 2025 is absent:

January 2025

March 2025

May 2025

July 2025

These omissions result in incomplete monitoring returns for the reporting year.

Actions

DCWW is required to undertake the following actions:

Provide NRW with a explanation detailing:

The causes of the missing monitoring data for the months listed above; and

The corrective and preventative measures that will be implemented to avoid recurrence in future submissions.

Due date

30/04/2026

If you have any queries about this report, or to discuss completion of any actions, please contact the NRW Officer named above.

Important information

Legal status of this report

Your permit is issued to you under the Environmental Permitting Regulations. You have a responsibility to comply with the conditions of your permit and prevent pollution/harm to the environment. You must also ensure that you comply with any other relevant legislation that may apply to your site's operations.

This report explains the findings of our assessment and any action you are required to take. We categorise non-compliance using our guidance for assessing non-compliance at regulated sites.

When we find potential non-compliance/s we will normally give you advice on how to maintain compliance.

To correct non-compliance, we may:

- require you to take specific actions
- issue a notice
- review the conditions of your permit.

Any advice and guidance we give will be without prejudice to any other enforcement response that we consider may be required.

Assessment results and non-compliance categories (used in section 1):

Assessment result	Description
Assessed (A)	Assessed or assessed in part, no evidence of non-compliance found
Action only (X)	Action required for the permit condition assessed to avoid non-compliance. No non-compliance scored at this time
Ongoing (O)	Ongoing non-compliance, not scored

Non-compliance category	Description
C1 Major	Potential to have a major, serious, persistent and/or extensive impact or effect on the environment, people and/or property
C2 Significant	Potential to have a significant impact or effect on the environment, people and/or property
C3 Minor	Potential to have a minor or minimal impact or effect on the environment, people and/or property
C4 No environmental impact	Non-compliance at a regulated site that cannot foreseeably have any impact on the environment, people and/or property
