- 8.3 The Licence Holder must ensure that the works are carried out in a safe manner that does not represent a danger to the environment, the public, or other marine users, at all times.
- 8.4 The Licence Holder must notify by telephone Her Majesty's Coastguard at Holyhead twenty-four hours prior to the event, providing a contact telephone number and both the start and finish times. If the fireworks display is to be carried out over multiple days, then the Licence Holder must notify HMCG prior to the display on each day. This is so that each HMCG watch are aware, and can mitigate any misidentified reports of red distress flares.
- 8.5 The Licence Holder must ensure that local mariners and fishermen's organisations are made fully aware of the activity through local notices to mariners 5 days prior to the commencement of the works.
- 8.6 The Licence Holder must ensure that HM Coastguard is made aware of the works prior to commencement by contacting The National Maritime Operations Centre: nmoccontroller@hmcg.gov.uk.
- 8.7 If, in the opinion of NRW acting on behalf of the Licensing Authority, the assistance of a Government Department, including the broadcast of navigational warnings, is required in connection with the activity or to deal with any emergency arising from the activity, the Licence Holder responsible for the works will be liable for any expense incurred in securing such assistance.
- 8.8 The Licence Holder must ensure that pollution prevention best practice is adhered to at all times. Any incidents must be reported to Natural Resources Wales using their hotline number **0300 065 3000**; NRW acting on behalf of the Licensing Authority must also be notified at the earliest possible date.
- 8.10 The Licence Holder must ensure all equipment, materials, machinery and PPE used are in a clean condition prior to their arrival on site, and removal from site, to minimise risk of introducing non-native species into the marine environment.
- 8.11 The Licence Holder must ensure that all equipment, waste and/or debris associated with the works are removed on completion of the works.

EXPLANATORY NOTES

Licence No: EXML1910

Date: 19 July 2019

*This page does not form part of this Licence **EXML1910** or its associated schedule but the licence holder is recommended to read the following guidance notes.*

1. The granting of this licence does not absolve the Licence Holder from obtaining such other authorisations, consents and approvals which may be required under any other legislation, controls or regulations.
2. Under Section 72 of the Marine and Coastal Access Act 2009, NRW acting on behalf of the Licensing Authority may vary or revoke this Licence if it appears to the NRW that the Licence Holder is in breach of any conditions in it or for any other reason that appears to NRW to be relevant.
3. A person who contravenes Section 65 (1) of the Marine and Coastal Access Act 2009, or fails to comply with any condition of a Marine Licence, commits an offence under Part 4, Chapter 3, Section 85 of the Marine and Coastal Access Act 2009.
4. It is a defence, Under Part 4, Chapter 3, Section 86 of the Marine and Coastal Access Act 2009, for a person charged with an offence under Section 85 (1) to prove that:
 - a) the activity was carried out for the purpose of securing the safety of a vessel, aircraft or marine structure or for the purpose of securing life, and,
 - b) that he/she took steps within reasonable time following the incident to inform NRW acting on behalf of the Licensing Authority of:
 - (i) the fact that the activity was carried out,
 - (ii) the locality and circumstances in which it was carried out, and
 - (iii) any substance or objects concerned.
5. If the works authorised by this Licence are unlikely to be completed by the expiry date of this licence, the Licence Holder should apply for a replacement licence **at least 4 months** prior to the expiry date of this Licence.
