4. Details of our assessment

Date of Visit: 04 February 2026

Site Visited: Sytner Land Rover Conwy

Purpose of Visit

The purpose of the visit was to confirm the location of the registered EPR water discharge activity associated with Permit CG0318101.

Summary of Site Meeting

Upon arrival, NRW Officers were greeted by the Head of Business, who provided access to the relevant areas of the site. Officers were escorted to the treatment plant location.

The Head of Business reported that a new Klargestor unit had recently been installed. They stated that the system had been operating effectively and that no issues had been encountered since its installation.

Permit and Operator Details

During the discussion, it was identified that the current environmental permit (CG0318101) remains registered to Conwy Land Rover Centre Ltd.

However, the correct and current site operator is:

SYTNER CARS LIMITED

Registered address:

2 Penman Way

Grove Park

Leicester

Leicestershire

LE19 1ST

An update to the permit is therefore required to ensure accurate operator information.

Required Actions**Action:**

Submit an administrative variation application to update the operator details on Permit

CG0318101.

Due Date:

Application to be submitted no later than 30 April 2026

If you have any queries about this report, or to discuss completion of any actions, please contact the NRW Officer named above.

Important information

Legal status of this report

Your permit is issued to you under the Environmental Permitting Regulations. You have a responsibility to comply with the conditions of your permit and prevent pollution/harm to the environment. You must also ensure that you comply with any other relevant legislation that may apply to your site's operations.

This report explains the findings of our assessment and any action you are required to take. We categorise non-compliance using our guidance for assessing non-compliance at regulated sites.

When we find potential non-compliance/s we will normally give you advice on how to maintain compliance.

To correct non-compliance, we may:

- require you to take specific actions
- issue a notice
- review the conditions of your permit.

Any advice and guidance we give will be without prejudice to any other enforcement response that we consider may be required.

Assessment results and non-compliance categories (used in section 1):
