## 4. Details of our assessment

### Purpose of Visit

The purpose of the visit was to confirm the location of the registered Environmental Permitting Regulations (EPR) water discharge activity associated with Permit CG0316501

### Summary of Site Meeting

Upon arrival, Natural Resources Wales (NRW) Officers were greeted by the Manager, who provided access to the relevant areas of the site. Officers carried out a inspection of the premises but were unable to locate either a discharge point associated with the treatment plant.

During discussions, the Manager confirmed that they were unable to provide any information regarding the location of the discharge point connected to the permitted activity.

### Actions Required

#### 1. Identify and confirm asset locations

The operator is required to locate the discharge point and provide full details to Natural Resources Wales and ensure it is accessible for sampling.

### Due Date

The deadline for completing the above action is:

30 April 2026

If you have any queries about this report, or to discuss completion of any actions, please contact the NRW Officer named above.

## Important information

### Legal status of this report

Your permit is issued to you under the Environmental Permitting Regulations. You have a responsibility to comply with the conditions of your permit and prevent pollution/harm to the environment. You must also ensure that you comply with any other relevant legislation that may apply to your site's operations.

This report explains the findings of our assessment and any action you are required to take. We categorise non-compliance using our guidance for assessing non-compliance at regulated sites.

When we find potential non-compliance/s we will normally give you advice on how to maintain compliance.

To correct non-compliance, we may:

- require you to take specific actions
- issue a notice
- review the conditions of your permit.

Any advice and guidance we give will be without prejudice to any other enforcement response that we consider may be required.

### Assessment results and non-compliance categories (used in section 1):

Assessment result	Description
Assessed (A)	Assessed or assessed in part, no evidence of non-compliance found
Action only (X)	Action required for the permit condition assessed to avoid non-compliance. No non-compliance scored at this time
Ongoing (O)	Ongoing non-compliance, not scored

Non-compliance category	Description
C1 Major	Potential to have a major, serious, persistent and/or extensive impact or effect on the environment, people and/or property
C2 Significant	Potential to have a significant impact or effect on the environment, people and/or property
C3 Minor	Potential to have a minor or minimal impact or effect on the environment, people and/or property
C4 No environmental impact	Non-compliance at a regulated site that cannot foreseeably have any impact on the environment, people and/or property
