## 1. The site plan

The site plans you have provided don't show the same site boundary. Newtown HWRC proposed general arrangements plan or Newtown HRWC Drainage plan don't show the site boundary outlined on the Newtown HWRC Location plan. I have attached provided plans below for comparison.

Acton:

Please provide the site plan that identifies all the land on which your waste operations will take place. The site plan should show a date and a reference and must be drawn accurately to a defined scale.

The outline of the site must be clearly marked in green and indicate local features to help us place the site in its local environment.

Please ensure the National Grid Reference shows the centre of the site as requested in Part B1, Question 2a.
