

FORM WRA: Applicant details and proposal outline

Application type and fee

Please generate a reference number. It should start with "WR" followed by your organisation or company name and today's date in four-digit format (DDMM) without spaces or punctuation.

Example: WRNATURALRESOURCESWALES1101

Please use this use this number throughout this application. This reference number can also be used for your BACS reference if paying electronically.

WRTARMACTRADINGLTD0502

For the application types listed, complete this form and/or the relevant additional forms named below. Tick the type of application you are applying for. Please refer to our Find out if you need a licence web-page (opens in new tab) for an explanation for the different licence types. If your proposal involves multiple licence types, tick all that apply.

See our Charges for abstraction and impoundment applications (opens in new tab) web page for details of application fees and how to pay.

Technical variation of an abstraction licence. Also complete form WRD.

Please provide existing licence serial number, if applicable

24/67/8/0047/V006

Please indicate how you wish to pay your application fee. If paying by BACS, please quote the reference number created in question 1 when setting up the bank transfer.

If paying by cheque, please ensure you add the six digit cheque number below.

BACS

Please add your BACS reference below

WRTARMACTRADINGLTD0502

Applicant details

Applicant type

Limited company

If more than one licence holder, please upload a document giving contact details of all holders.

- File: TTL - Date of birth information for Directors.docx - [Download](#)

Applicant details

Full Name Deepa Valand-Mistry
Company, Charity or Trading Name Tarmac Trading Limited
Company or Charity Registration Number 00453791

Applicant Registered Address

Line 1 Ground Floor T3 Trinity Park
Line 2 Bickenhill Lane
Line 3 Solihull
Line 4 Birmingham
Postcode B37 7ES

Applicant Contact details

Office Telephone Number 01217875001
Mobile Telephone Number 07483409404
Email Address permitcompliance@tarmac.com

Please indicate who we should contact regarding operation of your site, this should be the person responsible for the day to day running of the operation.

For applications for abstraction licences who should we contact for invoices?

Not necessary for temporary or transfer licences.

Applicant

Details of individual authorised to act as abstraction records (returns) contact

Specify who we should contact regarding abstraction records (returns):

Existing returns contact

Entitlement to apply (not required for impoundment licence applications)

Does the applicant have a legal right of access to the point of abstraction?

Occupier of land / has a right of access

Site map showing abstraction points

- File: TTL Hendre Tenure Plan on OS @A3.pdf - [Download](#)

For abstraction licence applications where you are the occupier or have rights of access, please also provide the additional evidence as outlined above.

Please tick here to show that you have done this.

Pre-application number

Have you undertaken a pre-application enquiry or had any previous discussions with us?

No

Remediation work

Is this proposal as a result of a Restoring Sustainable Abstraction programme or other work requested by us?

No

Source of supply

State where you intend to abstract from

Surface Water. e.g. Stream, leat, spring

Provide a 12 digit National Grid Reference for the proposed or existing abstraction or impoundment point (e.g. ST 19057 76826)

SJ 19813 67678

Source of supply (name of watercourse or aquifer)

Dolfechlas Brook

Site name / reference
(e.g. Tŷ Mawr Farm)

Hendre Quarry

Proposal summary

Please provide an outline of your proposal, including any sketches.

As a guide, you should include: a description of the activities which (will) take place at your site, the means of abstraction/impoundment proposed, if the proposal is related to another licence or permit (i.e. an Environmental Permit to Discharge Water) and details of any survey work undertaken. For changes to existing licences, summarise the changes proposed. Sketches or photographs that will aid our understanding of your proposal can be uploaded below.

Application is being made to relocate the existing permitted abstraction point on the Dolfechlas Brook, from a downstream location at NGR SJ 209 667, to a location adjacent to the quarry access road NGR SJ 19810 67680 (see figure 2 included below). This is being made to regularise the current abstraction practice at the site. Water is currently pumped from the abstraction point to an adjacent series of storage tanks, from which water is subsequently abstracted for site uses (dust suppression and wheel wash).

In addition to regularising the location of the licensed abstraction point, the variation application is also made to change the permitted water use from mineral washing to dust suppression/wheel wash top-up. The proposed variation application will result in an associated reduction in permitted abstraction volumes as follows:

Current licence:

78,009m³/annum

not exceeding 272.76 m³/day

Proposed reduction (volumes to be applied for):

58,687/annum

not exceeding 205m³/day

The above figures are based on expected use details for the mobile bowser, wheel wash and expanded sprinkler system, as provided by Tarmac site operations. These uses are essential to the ongoing site operation, being required to prevent mobilisation of dust at the site and the removal of material on road vehicles heading to the public highway.

The calculations supporting the use figures are presented in the attached supporting information document ref. TTL_Hendre_AbsVar_1_Feb26. It is noteworthy that the proposed variation will result in an approximate 25% reduction in the currently licenced annual abstraction volume.

Summary of proposal
