Action criteria codes are listed in the 'Important Information' section below.

## 3. What will happen next?

Any non-compliance we have identified and recorded on this form is an offence. It can result in criminal prosecution or civil sanctions being imposed depending on the circumstances of the offence.

### You are non-compliant with your licence.

**At this time, we are issuing you with a warning for the non-compliance recorded above. Warnings may influence future enforcement response for continued or further non-compliance.**

This statement does not stop us from taking additional enforcement action if further relevant information comes to light or offences continue.

## 4. Details of our assessment

We have not received the required abstraction return(s) for licence number 18/54/01/0571 for the period/periods 1 April 2019 to 31 March 2025. This is a breach of your licence conditions and is an offence under section 24(4)(b) of the Water Resources Act 1991.

Please ensure the outstanding return is submitted by 16 March 2026.

Returns can be submitted online. If no water was abstracted during the period, a nil return must still be submitted. You will need to be the licence holder or a nominated contact to access the service. If you do not yet have access or require a registration code, please get in touch. More information can be found on the following web page: [Natural Resources Wales / Submit your water abstraction return](#)

If you are unable to use the online service, a paper form is available. Please complete and return it as soon as possible. A copy of the return must be kept on site for inspection.

Please may I remind you that the Water Abstraction Return for 2025 is due within 28 days after 28 March 2026

If you have any queries or require assistance, please contact the Water Resources Returns Team on 0300 065 3000 (Monday to Friday, 9am–5pm) or email [waterresources.returns@cyfoethnaturiolcymru.gov.uk](mailto:waterresources.returns@cyfoethnaturiolcymru.gov.uk). Be sure to quote your licence number in all correspondence.

## Important information

### Legal status of this report

Your licence is issued to you under the Water Resources Act 1991 as amended by the Water Act 2003. You have a responsibility to comply with the conditions of your licence and prevent pollution/harm to the environment. You must also ensure that you comply with any other relevant legislation that may apply to your site's operations.

This report explains the findings of our assessment and any action you are required to take. We categorise non-compliance using our guidance for assessing non-compliance at regulated sites.

When we find potential non-compliance/s we will normally give you advice on how to maintain compliance.

To correct non-compliance, we may:

- require you to take specific actions
- issue a notice.

Any advice and guidance we give will be without prejudice to any other enforcement response that we consider may be required.

### Assessment results and non-compliance categories (used in section 1):

Assessment result	Description
Assessed (A)	Assessed or assessed in part, no evidence of non-compliance found
Action only (X)	Action required for the licence condition assessed to avoid non-compliance. No non-compliance scored at this time
Ongoing (O)	Ongoing non-compliance, not scored

Non-compliance category	Description
C1 Major	Potential to have a major, serious, persistent and/or extensive impact or effect on the environment, people and/or property
C2 Significant	Potential to have a significant impact or effect on the environment, people and/or property
C3 Minor	Potential to have a minor or minimal impact or effect on the environment, people and/or property
C4 No environmental impact	Non-compliance at a regulated site that cannot foreseeably have any impact on the environment, people and/or property
