Dear Mr Derbyshire,

**We need more information about your application**

**Application reference: PAN-029939**

**Operator: CCR Energy Limited**

**Facility: Aberthaw Power Station, The Leys, Aberthaw, Vale of Glamorgan, CF62 4ZW**

I need to ask you for some more information before I can do any more work on it.

Provide further justification for the increase in associated emission levels (AEL) of total suspended solids and ammoniacal nitrogen. This should include evidence of any potential increased risk to nearby river and marine environments.

Please reply within 10 working days from the date of this letter. If we don't hear from you we must return your application and fee. We will keep 14% of the charge to cover the cost of the assessment work done.

If you email or write to us please quote the application reference PAN-029939 on any correspondence and send it to the relevant address below.

When we receive the missing items we'll continue to check the details in your application. If there's enough there for us to begin the process of deciding whether or not we can grant your application we say the application is 'duly made' and we'll let you know this by letter.

Please quote our reference if you contact us. If you have any questions please phone me on 0300 065 3580 or email [elliott.lamond@naturalresourceswales.gov.uk](mailto:elliott.lamond@naturalresourceswales.gov.uk).

Yours sincerely

Elliott Lamond
