Dear Mr. Wilson

### **Confirming you may begin your deployment**

**Deployment ref: EPR/QP3592ZY/Z001**

**Permit reference: EPR/QP3592ZY**

**Permit holder: Geo2 Remediation Ltd**

**Location of the deployment: Maelor Works, Marchwiel, Wrexham, LL13 0UW**

We've assessed your deployment notification and agree that you may start to operate.

Your deployment lasts for one year and expires on 07/05/2016. If you wish to continue after this date you must complete another deployment notification.

You must comply with your permit and carry out the activities in accordance with the requirements of the agreed deployment application. The term 'deployment application' refers to the deployment form and all of the accompanying information. The accompanying information is that sent in with the deployment form and any additional information received during the assessment.

If you want to change any of the details provided in the deployment form you must seek written permission from us before you change what you're doing.

This approval letter is only to allow the mobile plant deployment in accordance with your environmental permit. As the operator, it's your responsibility to agree other authorisations, for example, planning permission, remedial strategy, abstraction or discharge consents with the relevant regulatory authority.

Please note that operating under your mobile plant permit does not imply that the remediation processes used will be suitable for meeting any remediation objectives

specified. These issues must be considered separately by the developer/consultant and our local area Geoscience team. These must be defined in the site remedial strategy which sets out the remediation options to reduce or control the risks from pollution linkages associated with the site as a whole. You may need to carry out further remediation if an unacceptable risk to the environment remains at the site.

Please notify me at least seven days prior to starting the remediation activities. I will send your notification to the local area office closest to the deployment site.

If you have any queries about this matter please contact us by telephone on 0300 065 3000 or email us at [enquiries@naturalresourceswales.gov.uk](mailto:enquiries@naturalresourceswales.gov.uk) quoting your deployment application reference.

Yours sincerely

**Holly Noble**
