6. Force Majeure

- 6.1 If, by reason of "force majeure" the substances or articles specified at sub-paragraph 1.4 of this Schedule, are deposited otherwise than in the area authorised by this Licence at paragraph 1.5, full details of the circumstances shall be notified to NRW acting on behalf of the Licensing Authority within **48 hours** of the incident occurring.

"Force majeure" may be deemed to apply when, due to stress of weather or any other cause, the master of a vessel determines that it is necessary to deposit the substances or articles because the safety of human life and/or of the vessel is threatened.

7. Changes to this Licence

- 7.1 In the event of the Licence Holder becoming aware that any of the information on which the granting of this Licence was based has changed or is likely to change, he/she shall notify NRW acting on behalf of the Licensing Authority at the earliest opportunity of the details.
- 7.2 Similarly in the event that the Licence Holder wishes any of the particulars set down in the Schedule to be altered he/she shall inform NRW acting on behalf of the Licensing Authority at the earliest opportunity before taking any further action.

8. Standard Conditions

- 8.1 The Licence Holder must notify NRW acting on behalf of the Licensing Authority if the circumstances on which the granting of this licence was based has changed to an extent that the activity no longer meets the eligibility criteria, at which time the licence is deemed to be invalid.
- 8.2 The licence holder must ensure that the works are maintained in a safe condition that does not represent a danger to the environment, or other marine users, at all times.
- 8.3 The Licence Holder must ensure that all reasonable precautions are taken to prevent the disposal of man-made debris to the foreshore. Such material must be removed immediately and be disposed of appropriately. If it is not possible to prevent manmade debris from entering the marine environment during these operations, activity must cease immediately.
- 8.4 The Licence Holder must ensure that local mariners and fishermen's organisations are made fully aware of the activity through local notices to mariners 5 days prior to the commencement of the works.
- 8.5 The Licence Holder must ensure that HM Coastguard is made aware of the works prior to commencement by contacting The National Maritime Operations Centre: nmoccontroller@hmcg.gov.uk.
- 8.6 If, in the opinion of NRW acting on behalf of the Licensing Authority, the assistance of a Government Department, including the broadcast of navigational warnings, is required in connection with the works or to deal with any emergency arising from the drifting or wreck of the works, the Licence Holder responsible for the works will be liable for any expense incurred in securing such assistance.
- 8.7 The Licence Holder must ensure that all equipment, temporary structures, access tracks, waste and/or debris associated with the works are removed on completion of the works.
- 8.8 The Licence Holder must remove the works from below the level of mean high water springs within one month of notice being given by NRW acting on behalf of the Licensing Authority at any time we consider this necessary or advisable for the safety of navigation, and not replaced until NRW on behalf of the Licensing Authority has given its written approval.
- 8.9 The licence holder must ensure that pollution prevention best practice is adhered to at all times. Any incidents must be reported to Natural Resources

Wales using their hotline number **0300 065 3000**; NRW acting on behalf of the Licensing Authority must also be notified at the earliest possible date.

- 8.10 The Licence Holder must ensure bunding, storage facilities and spill kits are employed to contain and prevent the release of fuel, oils and chemicals associated with the plant, refuelling and construction equipment into the marine environment.
- 8.11 The Licence Holder must ensure that plant, vehicles and machinery are not refuelled on the foreshore.
- 8.12 The Licence Holder must ensure all equipment, materials, machinery and PPE used are in a clean condition prior to their arrival on site to minimise risk of introducing non-native species into the marine environment.

9. Location conditions – activity within sensitive areas

- 9.1 The Licence Holder must ensure that any activities conducted in an area identified by NRW as sensitive have been fully documented in the method statement approved in writing by NRW, as described in paragraph 1.4.
- 9.2 The Licence Holder must ensure that vehicular access across coastal habitats that form part of the interest features of a designated or proposed protected area (SPA, SAC, MCZ, SSSI or RAMSAR), or any sensitive habitat identified by NRW as sensitive, is not used unless specified in the approved method statement described in paragraph 1.4.
- 9.3 The Licence Holder must ensure that any equipment or materials used do not enter the marine environment within the interest features of a designated or proposed protected site (SPA, SAC, MCZ, SSSI or RAMSAR) or any other sensitive habitats identified by NRW as sensitive, unless specified in the approved method statement described in paragraph 1.4.

EXPLANATORY NOTES

*This page does not form part of this Licence **BUML1804** or its associated schedule but the licence holder is recommended to read the following guidance notes.*

1. The granting of this licence does not absolve the Licence Holder from obtaining such other authorisations, consents and approvals which may be required under any other legislation, controls or regulations.
2. Under Section 72 of the Marine and Coastal Access Act 2009, NRW acting on behalf of the Licensing Authority may vary or revoke this Licence if it appears to the NRW that the Licence Holder is in breach of any conditions in it or for any other reason that appears to NRW to be relevant.
3. A person who contravenes Section 65 (1) of the Marine and Coastal Access Act 2009, or fails to comply with any condition of a Marine Licence, commits an offence under Part 4, Chapter 3, Section 85 of the Marine and Coastal Access Act 2009.
4. It is a defence, Under Part 4, Chapter 3, Section 86 of the Marine and Coastal Access Act 2009, for a person charged with an offence under Section 85 (1) to prove that:
 - a) the activity was carried out for the purpose of securing the safety of a vessel, aircraft or marine structure or for the purpose of securing life, and,
 - b) that he/she took steps within reasonable time following the incident to inform NRW acting on behalf of the Licensing Authority of:
 - (i) the fact that the activity was carried out,
 - (ii) the locality and circumstances in which it was carried out, and
 - (iii) any substance or objects concerned.
5. If the works authorised by this Licence are unlikely to be completed by the expiry date of this licence, the Licence Holder should apply for a replacement licence **at least 4 months** prior to the expiry date of this Licence.
