Dear Mr Jones

MARINE AND COASTAL ACCESS ACT 2009: PART 4 – MARINE LICENSING

LICENCE TO UNDERTAKE BEACH MANAGEMENT ACTIVITIES AT BARMOUTH BEACH

LICENCE NUMBER: BUML1804

I am writing to advise you that the Marine Licensing Team, on behalf of the Welsh Ministers, as Licensing Authority, has considered your application, dated 31 January 2018 for a Marine Licence under Part 4 of the Marine and Coastal Access Act 2009, and hereby grant a Marine Licence for you to undertake the above stated works.

Accordingly, please find attached for your review and retention a copy of Marine Licence **BUML1804** and its conditions.

Advisory Note

Marine Licence, **BUML1804**, constitutes a statutory consent; therefore the conditions set out herein must be complied with in full and will be binding upon any agent or contractor who undertakes any activity on the project on your behalf.

You are urged to read the conditions of Marine Licence **BUML1804** carefully, in particular the need to advise our Marine Enforcement Officers of the commencement of works within **10 days** prior to work starting.

Marine Licence, **BUML1804** is solely granted for the work to be undertaken at **BUML1804**; however, it does not absolve you from applying for further consents or licences as necessary to enable the full completion of your project.

NRW Advisory note

We advise that where possible the sand should be deposited to avoid any areas of fine mud, which according to our records is located around the low water mark.

We advise that the recommendations outlined in section 4.0 of the Environmental Assessment Report are adhered to prevent pollution and the introduction of invasive non-native species.

Gwynedd Archaeological Planning Service (GAPS) advisory note

Please ensure the contractor is made aware of the potential for buried peat deposits and for wreck material and that they contact Ashley Batten at GAPS directly should any obvious remains or deposits be identified during the course of the works.

If the works authorised by this Licence are unlikely to be completed by the expiry date, the Licence Holder should apply for a replacement marine licence **at least 4 months** prior to the expiry date of this Licence.

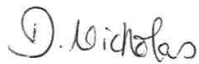

Should you require clarification as to the reasons for the inclusion of any of the conditions attached to the Licence then you must request written notice within 28 days of the receipt of this letter.

Please be aware that the Welsh Government has changed the Marine Licensing fees and charges in Wales. You will be charged for any post licensing work associated with your licence. If you have any queries regarding the fee changes, please email the Marine Licensing Team via marinelicensing@naturalresourceswales.gov.uk

We'd really like to hear about your experience of dealing with us in relation to your Natural Resources Wales licence application. Please give us 5 minutes of your time to complete our online survey using the following link:
