Dear Sir/Madam,

Issue of administrative variation

Permit reference: EPR/LP3038WT/V003

Operator: 2 Agriculture Growing Limited

Facility: Merllyn Bach Poultry Farm, Merllyn Bach, Babell, Holywell, CH8 8PZ

I enclose a notice showing the changes to your permit, issued 05/05/2026. Keep this in a safe place with your other permit records.

This variation acknowledges that you have changed company name. The permit has not been transferred to a new operator and remains as the same legal entity. Where any existing documentation from Natural Resources Wales (such as the permit, any variation notices or other regulatory notices and communications) still refers to Hook2Sisters Limited until such time as it is updated, it should be read as if it states 2 Agriculture Growing Limited, as all responsibilities for the regulated facility remain with you as the operator.

If you're not already familiar with our document 'How to comply with your environmental permit' please look at it, as this will help you understand how to meet the conditions of the permit. You can find this at <http://naturalresources.wales/media/2110/how-to-comply-with-your-environmental-permit.pdf>

If you don't have internet access, or have any questions about this permit please phone our Customer Services Centre on **0300 065 3000**. They will put you in touch with a local area officer.

Yours sincerely

Sherreen Thomas
