Dear Occupier

Environmental permit is no longer valid

East Marsh Operational Co. Limited held an environmental permit for the water discharge activity at The Corran Resort & Spa. We have been advised that the company dissolved on 31st March 2022. As the company has dissolved, the environmental permit ceased to exist from that date.

If the water discharge activity is still occurring then you will need to apply for a new environmental permit. Please see our website for further information on how to apply: www.naturalresourceswales.gov.uk.

If you have any questions about this please email Deborah.M.Smith@naturalresourceswales.gov.uk or phone 0300 065 4089.

Your faithfully

Debbie Smith
