## Snowdonia National Park, Overhead Line 4ZC Screening & Scoping Report

October 2018

Front Cover: Pylon and overhead transmission line, Subsection 4ZC.1

# Contents

<b>1 Introduction</b>	<b>1-1</b>
The Snowdonia 4ZC ‘VIP Subsection’	1-1
<b>2 The Proposed Project</b>	<b>2-1</b>
Construction	2-3
Operation	2-15
Decommissioning	2-16
Programme	2-16
<b>3 Environmental Impact Assessment</b>	<b>3-1</b>
Screening and Scoping	3-1
Planning Permission and Permitted Development	3-2
Habitats Regulations Assessment	3-2
Marine License	3-2
General Assessment Methodology	3-3
Proposed Structure of Environmental Assessment Report	3-6
Construction Environmental Management Plan	3-7
Planning Policy	3-7
Stakeholder Engagement and Consultation	3-7
<b>4 Landscape and Visual</b>	<b>4-1</b>
Introduction	4-1
Legislation and Policy	4-2
Baseline Environment	4-3
Potential Impacts	4-7
Proposed Assessment Methodology	4-10

Proposed Mitigation Measures	4-16
Issues to be Scoped Out	4-16
Overview of Likely Significance of Effect	4-17
<b>5 Ecology</b>	<b>5-1</b>
Introduction	5-1
Legislation and Policy	5-1
Baseline Environment	5-1
Potential Impacts	5-6
Proposed Assessment Methodology	5-9
Proposed Mitigation Measures	5-13
Issues to be Scoped Out	5-14
Overview of Likely Significance of Effect	5-14
<b>6 Archaeology and Cultural Heritage</b>	<b>6-1</b>
Introduction	6-1
Legislation and Policy	6-1
Baseline Environment	6-1
Potential Impacts	6-5
Proposed Assessment Methodology	6-5
Mitigation Measures	6-9
Issues to be Scoped Out	6-9
Overview of the Likely Significance of Effect	6-9
<b>7 Water Resources</b>	<b>7-1</b>
Introduction	7-1
Legislation and Policy	7-1
Baseline Environment	7-2
Potential Impacts	7-5

Proposed Assessment Methodology	7-6
Proposed Mitigation Measures	7-7
Issues to be Scoped Out	7-8
Overview of the Likely Significance of Effect	7-8
<b>8 Ground Conditions (including waste)</b>	<b>8-1</b>
Introduction	8-1
Legislation and Policy	8-1
Baseline Context	8-3
Potential Impacts	8-6
Proposed Assessment Methodology	8-8
Proposed Mitigation Measures	8-12
Issues to be Scoped Out	8-13
Overview of the Likely Significance of Effect	8-13
<b>9 Land Use</b>	<b>9-1</b>
Introduction	9-1
Legislation and Policy	9-1
Baseline Environment	9-1
Potential Impacts	9-2
Proposed Assessment Methodology	9-4
Proposed Mitigation Measures	9-8
Issues to be Scoped Out	9-8
Overview of the Likely Significance of Effect	9-9
<b>10 Air Quality</b>	<b>10-1</b>
Introduction	10-1
Legislation and Policy	10-1
Baseline Environment	10-3

Potential Impacts	10-3
Proposed Assessment Methodology	10-4
Proposed Mitigation Measures	10-4
Issues to be Scoped Out	10-5
Overview of the Likely Significance of Effect	10-5
<b>11 Electric and Magnetic Fields (EMF)</b>	<b>11-1</b>
Introduction	11-1
Legislation and Policy	11-1
<b>12 Traffic and Transport</b>	<b>12-1</b>
Introduction	12-1
Legislation and Policy	12-1
Baseline Environment	12-3
Potential Effects	12-4
Proposed Assessment Methodology	12-7
Proposed Mitigation Measures	12-13
Issues to be Scoped Out	12-13
Overview of the Likely Significance of Effect	12-13
<b>13 Socio-Economics and Tourism</b>	<b>13-1</b>
Introduction	13-1
Legislation and Policy	13-1
Baseline Environment	13-2
Potential Impacts	13-3
Proposed Assessment Methodology	13-4
Proposed Mitigation Measures	13-5
Issues to be Scoped Out	13-5
Overview of the Likely Significance of Effect	13-6

<b>14 Noise and Vibration</b>	<b>14-1</b>
Introduction	14-1
Legislation and Policy	14-1
Baseline Environment	14-2
Potential Impacts	14-3
Proposed Assessment Methodology	14-6
Proposed Mitigation Measures	14-11
Issues to be Scoped Out	14-11
Overview of the Likely Significance of Effect	14-11
<b>15 Health in Environmental Impact Assessment</b>	<b>15-1</b>
Introduction	15-1
Baseline Environment	15-3
Potential Impacts	15-7
Proposed Assessment Methodology	15-7
Proposed Mitigation Measures	15-10
Issues to be Scoped Out	15-10
Overview of the Likely Significance of Effect	15-10
<b>16 Marine Physical Environment</b>	<b>16-1</b>
Introduction	16-1
Legislation and Policy	16-2
Baseline Environment	16-2
Potential Impacts	16-7
Proposed Assessment Methodology	16-10
Proposed Mitigation Measures	16-11
Issues to be Scoped Out	16-11
Overview of the Likely Significance of Effect	16-11

<b>17 Marine Ecology</b>	<b>17-1</b>
Introduction	17-1
Legislation and Policy	17-1
Baseline Environment	17-2
Proposed Impacts	17-10
Proposed Assessment Methodology	17-14
Proposed Mitigation Measures	17-18
Issues to be Scoped Out	17-18
Overview of the Likely Significance of Effect	17-19
<b>18 Marine Archaeology</b>	<b>18-1</b>
Introduction	18-1
Legislation and Policy	18-1
Baseline Environment	18-2
Potential Impacts	18-5
Proposed Assessment Methodology	18-6
Proposed Mitigation Measures	18-8
Issues to be Scoped Out	18-8
Overview of the Likely Significance of Effect	18-8
