Dear Occupier

Environmental permit is no longer valid

Vur St Davids Hotel Limited held an environmental permit for the water discharge activity at Northop Country Park. We have been notified that the company dissolved on the 2nd April 2024. As the company has dissolved, the environmental permit ceased to exist from that date.

If the water discharge activity is still occurring then you will need to apply for a new environmental permit. Please see our website for further information on how to apply: www.naturalresourceswales.gov.uk.

If you have any questions about this please email tim.ohara@naturalresourceswales.gov.uk or phone 03000654386.

Your sincerely
