Correspondence welcomed in Welsh and English

Air emissions assessment

Confirm whether the location and stack heights for the new boilers will be different to those of the permitted 1.1 MW boiler. If different, please explain how.

Please reply within 10 working days from the date of this letter. If we don't hear from you we must return your application and fee.

If you need advice about how to complete the request, please contact your local area office. Call 0300 065 3000 and ask to speak to your local area office or your site officer.

If you email or write to us please quote the application reference PAN-027234 on any correspondence and send it to the relevant address below.

When we receive the missing items we will continue to check the details in your application. If there's enough for us to begin the process of deciding whether or not we can grant your application we say the application is 'duly made' and we'll let you know this by letter.

Please quote our reference if you contact us. If you have any questions please email alice.burrows@naturalresourceswales.gov.uk.

Yours sincerely

Alice Burrows
