

# Change a medium combustion plant or specified generator permit

## Tell us which permit you want to change

You can only change one permit per application

Enter permit number or tell us the name of who you have spoken too. If you have not had any pre-application advice for your proposed variation, leave this box blank and click continue

EPR/DB3297FC

## Tell us about any pre-application advice you have had from us

Enter your pre-application reference

Cynon Power Limited- de-rating

## Do you want to make an administrative change?

An administrative change is purely administrative, for example a change to a name or address where there has been no change in legal entity

No

## What type of permit holder are you?

Choose one:

*No Response*

## Tell us your up to date details as an individual with a permit

Enter your new details

*No Response*

Explain why the details are changing

*No Response*

## Tell us about changes to details of your organisation of individuals (e.g. partnerships)

Describe what is changing

*No Response*

### **Tell us about administrative changes to your public body**

Enter the public body details

*No Response*

Describe what is changing

*No Response*

### **Tell us about administrative changes to your up to date company details**

Enter your new company details

*No Response*

Describe what is changing

*No Response*

### **Tell us who we can talk to about this administrative change**

Enter details

*No Response*

### **Tell us about changes to your permit**

Do want to make more changes to your permit?

*No Response*

### **Do you want to make a minor, normal, or substantial technical change to your permit?**

Choose one:

Minor

## **Simple Calculation of Atmospheric Impact Limits (SCAIL) Combustion Screening Tool**

Has the SCAIL combustion tool (which includes your proposed changes) screened out the emissions from your combustion unit(s)?

*No Response*

## Upload a copy of your completed SCAIL results template

Please upload your file

*No Response*

## Site-specific air quality modelling assessment

Have you completed a site-specific air quality modelling assessment?

*No Response*

## Upload your site-specific air quality modelling assessment

Please upload your file

*No Response*

## Tell us how you would like to change your permit

Choose one

I would like to make a change to a combustion unit listed in my permit (such as a change in fuel or operating technique)

## Tell us about the changes you wish to make to combustion unit(s) already listed in your permit

What is the unique identifier of the combustion unit(s) already listed in your permit you wish to change?

See report attached for full details  
Engines have been de-rated so whole site is under 20MWth

Please either provide a summary or upload a document of the proposed changes in non-technical language and avoiding technical terms, detailed data and scientific discussion.

See attached

Please upload your non-technical summary document

- File: Cynon Non-technical summary 20260312bGJLD.docx - [Download](#)

## Tell us the name/identifier of each combustion unit you wish to decommission

If you wish to cancel (surrender) all the combustion units listed in your permit, you will need to use the permit surrender application form.

Enter the details

*No Response*

## Tell us the date you wish to decommission the combustion unit

Enter the details

*No Response*

## Tell us which combustion unit you wish to replace

What is the unique identifier number of the combustion unit(s) you wish to replace?

*No Response*

## Add a combustion unit to your permit

How many combustion units would you like to add to your permit?

If you wish to add more than one combustion unit, you will be asked to provide the same information for each.

*No Response*

## Details of the combustion units you would like to add to your permit

Please complete and upload the combustion unit template (opens in new tab) with details of each combustion unit you would like to add to your permit

Upload document

*No Response*

## Tell us about any emissions monitoring on the combustion unit(s)

Have you completed any emissions monitoring on the combustion unit(s) you wish to add to your permit?

*No Response*

## Upload any emissions monitoring of the combustion unit

Upload any emissions monitoring of the combustion unit completed in the last two years (if available)

*No Response*

## Combustion units between 20MW and less than 50MW thermal input

If the combustion unit you wish to add is individually between 20MW and less than 50MW thermal input, and is one of these technologies:

Boiler  
Furnace  
Gas turbine  
Compression ignition engine

It will be classed as a Part B activity.

There is an additional charge for this activity and you will need to complete and upload a Best Available Techniques assessments (opens in a new tab)

Upload your Best Available Techniques Assessments.

*No Response*

## New and substantially refurbished combustion units

Is your application to add new or substantially refurbished combustion unit with a total aggregated thermal input of 20 MW or more?

*No Response*

## Energy efficiency report

Upload your energy efficiency report

*No Response*

Please provide us with an explanation of why schedule 24 does not apply in your case.

*No Response*

## Tell us if the the additional combustion unit burns solid biomass

vegetable waste from agriculture and forestry  
vegetable waste from the food processing industry, if the heat generated is recovered  
fibrous vegetable waste from virgin pulp production and from production of paper from pulp co-incinerated at the place of production and the heat generated is recovered  
cork waste  
wood waste with the exception of wood waste which may contain halogenated organic compounds or heavy metals as a result of treatment with wood preservatives or coating and which includes, in particular, such wood waste originating from construction and demolition waste

Do you burn 50kg or more per hour of any waste biomass listed above?

*No Response*

## Best Available Techniques assessment

Your combustion unit is classed as a Part B activity.

There is an additional charge for this activity and you will need to complete and upload a Best Available Techniques assessments (opens in a new tab).

Upload your Best Available Techniques assessment.

*No Response*

## Combustion units that are also specified generators

Is the combustion unit you wish to add also a specified generator?

Guidance on specified generators (opens in a new tab)

*No Response*

## Tell us about the specified generator

What tranche is the specified generator?

*No Response*

Is the electricity generated by the specified generator you wish to add used on-site or supplied to the National Grid?

*No Response*

## Tell us if you are proposing to change your operating techniques

Are you proposing to change your operating techniques or fuel of any combustion unit that remain in your permit?  
Changes can include your operating hours

*No Response*

## Provide a summary of the proposed changes in non-technical language

Please provide a summary or upload a document of the proposed changes in non-technical language and avoiding technical terms, detailed data and scientific discussion.

*No Response*

Please upload your non-technical summary document

*No Response*

## Management systems

You will need to update your management system to reflect your proposed changes. Please select to confirm that you have read the guidance and your management system has been updated to reflect your proposed changes which meets our requirements

I have read the guidance and my management system has been updated to reflect the proposed changes

## Tell us who we can talk to about this application

This can be a consultant or agent

<b>Title</b>	-

## Tell us about any relevant offences

Has a relevant person been convicted of a relevant offence? A relevant person is you, or anyone connected to the permit holder.
Find out about relevant convictions for medium combustion plant or specified generator environmental permits - <a href="#">GOV.UK</a> (opens in a new tab)
Find out about relevant people' in Defra Core Guidance on Environmental Permitting – <a href="#">GOV.UK</a> (opens in a new tab)
No

## Tell us about the relevant person's offence

If you ticked yes to the question above, please provide your details
<i>No Response</i>

## Do you need to tell us about other relevant people and offences?

Select

*No Response*

## Tell us about any other relevant offences

Provide details of other relevant offences.

*No Response*

## Tell us about insolvency or bankruptcy

You'll need to tell us about:

any insolvency or bankruptcy proceedings against you or any relevant person.  
the required set-up costs (including infrastructure), maintenance and clean-up costs for the proposed facility against which a credit check may be assessed

We may also want to contact a credit reference agency to verify your financial standing. You are giving your consent to this check by completing and submitting the application form.

Do you or any relevant person have current or past bankruptcy or insolvency proceedings against you?

No

## Tell us about a relevant person's bankruptcy or insolvency

Enter details

*No Response*

Attach relevant documents

*No Response*

## Do you want to make a confidentiality claim?

You can ask for information to be made confidential by enclosing a letter with your application giving your reasons.

If we agree with your request, we will tell you and not include the information in the public register.

If we do not agree with your request, we will let you know how to appeal against our decision, or you can withdraw your application.

Do you want to make a confidentiality claim?

No

## Give evidence to support your confidentiality claim

Give evidence to support your confidentiality claim

*No Response*

## National security

Have you made a request to Welsh Government for exclusion of information from public registers for national security reasons?

No

## Upload the national security letter you sent to Welsh Ministers

Attach a copy of your letter

*No Response*

## Sign the declaration

I declare that the information in this application is true to the best of my knowledge and belief. I understand that this application may be refused or approval withdrawn if I give false or incomplete information.

I understand that if I knowingly or recklessly make a false or misleading statement:

- I may be prosecuted; and
- if convicted, I may have to pay a fine and/or go to prison

By signing below, you are confirming that you understand and agree with the declaration above

*No Response*

## If your application includes ecological information

We may want to use any ecological survey data you have supplied for other purposes. We assume that we are permitted to use the information you supply to us, in connection with our statutory and regulatory responsibilities. In particular (although there may be other uses), we may:

incorporate the information into our datasets and mapping which are used for a variety of purposes

provide information to other applicants and organisations where this enables us to protect wildlife - we are directed to do in the Environment Act

respond to requests for information under the Freedom of Information Act and the associated Environmental Information Regulations 2004 and agree limited usage rights in accordance with our Standard Notices that we use when supplying our information and licence datasets and mapping derived from or containing information

I confirm I am happy for the ecological survey information I have supplied to be used as set out in the guidance.

## Tell us if you are signing on behalf of a relevant person

If you are not a relevant person, but want to sign the application on their behalf, you must include confirmation that you can do this.

Are you signing on behalf of a relevant person?

Yes

## Upload confirmation from a relevant person

Upload a letter or email

- File: LOA.docx - [Download](#)

## Upload any additional declarations

Check what must be included in any additional declarations (opens in a new tab).

If you knowingly or recklessly make a statement which is false or misleading to help you get an environmental permit (for yourself or another person), you are committing an offence under the Environmental Permitting (England and Wales) Regulations 2016.

*No Response*

## How you will pay

Select

Bank transfer

## Create a payment reference

You will need to give us this reference when you pay for your permit application.

Start your reference with 'EPR' followed by the first nine letters of your organisation name then a four-digit number.

For a company named Joe Bloggs Ltd, the reference number might be:

EPRJOEBLOGGS0001

Enter your reference

EPRCYNONDERATE0001

## Enter your cheque number

Add your cheque number.

This will help us match your payment to your application.

*No Response*

## Is there anything else you want to tell us?

Upload your extra information

*No Response*

## Submit your application

Your name

Laura Davey

Enter your email address to get a copy of your application

laura.davey@welshpower.com
