3. What will happen next?

Any non-compliance we have identified and recorded on this form is an offence. It can result in criminal prosecution and/or suspension or revocation of your permit.

You are non-compliant with your permit.

At this time, we are issuing you with a warning for the non-compliance recorded above. Warnings may influence future enforcement response for continued or further non-compliance.

This statement does not stop us from taking additional enforcement action if further relevant information comes to light or offences continue.

4. Details of our assessment

Dear Permit Holder

The non-compliance listed above was identified during our annual 2025 data audit. This audit assessed Dŵr Cymru Cyf.'s compliance at all their sewage treatment works and water treatment works with UV conditions.

Please note: this CAR is dated 04/08/2025 as this non-compliance relate to annual 2025 data, however, for clarity the compliance assessment was undertaken on 11.05.2026.

Issue Identified:

NUMERIC BREACH. UV Dose was below the lower limit on 04/08/2025 from 11:00 to 14:15 hours. Waiver rejected 16/09/2025. Dose below lower limit for >2.4 consecutive hours.

Action:

Review and improve operations to avoid UV dose being lower than the limit within the permit in the future. Report improvements to NRW.

Timescale:

Action due date 1st July 2026.

Thank you.

If you have any queries about this report, or to discuss completion of any actions, please contact the NRW Officer named above.

Important information

Legal status of this report

Your permit is issued to you under the Environmental Permitting Regulations. You have a responsibility to comply with the conditions of your permit and prevent pollution/harm to the environment. You must also ensure that you comply with any other relevant legislation that may apply to your site's operations.

This report explains the findings of our assessment and any action you are required to take. We categorise non-compliance using our guidance for assessing non-compliance at regulated sites.

When we find potential non-compliance/s we will normally give you advice on how to maintain compliance.

To correct non-compliance, we may:

- require you to take specific actions
- issue a notice
- review the conditions of your permit.

Any advice and guidance we give will be without prejudice to any other enforcement response that we consider may be required.

Assessment results and non-compliance categories (used in section 1):

Assessment result	Description
Assessed (A)	Assessed or assessed in part, no evidence of non-compliance found
