Good morning,

I will be the compliance officer for your site surrender going forward.

I have requested the information you asked for yesterday from our permitting team. They will process your surrender once submitted.

It was my understanding that after you have submitted the surrender application the permitting team will get in touch with me and ask me to come out to the site to check all waste has been removed. Once I have done the visit, I will be writing a Compliance Assessment Report (CAR) with my notes from the inspection.

Thank you,

Dan Hopkin

Hi Gareth,

I’m just finalising the surrender application forms for Bill Way & Co. As part of the application form it is asking for:

Give us confirmation from your compliance officer

You must include written evidence (from us) that we have agreed you meet the requirements of the level of surrender you are applying for.

This will usually be your site compliance officer's confirmation. - required

Save and continue later

Please can you drop me an email confirming that, further to our telephone conversation on the 23rd February 2026, only a basic surrender is required for Permit XP3495FC (EA WML 30238).

Kind regards,

Sarah
