Ein cyf/Our ref: CG0431701

Eich cyf/Your ref:

Dyddiad/Date: 23 Jan 2007

Dear Mr. Morris

Water Resources Act 1991, Schedule 10 (as amended by the Environment Act 1995, Water Act 2003), Certificate of Holder and Notice of Transfer

Consent number: **CG0431701**

Thank you for your request dated 22 Jan 2007 to become the new Consent Holder for the above consent. We have processed the transfer of holder for this consent and can confirm that as of 23 Jan 2007, you are the new Holder. The date of transfer to you may be later than the date you requested if you gave us less than 21 days notice.

Please find attached the new Certificate of Holder for your Discharge Consent (Form WQP4). It carries your name and address. You are responsible for the discharge. Please note that any failure to comply with the conditions in the consent can result in prosecution.

It is important that you keep this Certificate in a safe place.

If your Certificate is incorrect in any way, please let us know as soon as possible. We will issue you with a new Certificate.

If there is more than one Holder of the consent then you need to write to inform us of the name, address (including postcode) and telephone number of the additional holder(s).

If you are not the person to whom the bill for any annual charge should be sent then you need to write to tell us the name, address (including postcode) and telephone number of that person.

You will need to complete the section 'Consent to discharge – Notice of Transfer' on the Certificate (Form WQP4), if you wish to transfer the consent to another person. This is the request to transfer the Holder. Enter the name and address of the

proposed new Holder, and the date of the proposed transfer. We cannot process a transfer unless you both sign. Then return the whole form to us at the address given

at the end of the form. We recommend that you keep a copy for your records. Please note that until the consent has been transferred, you may still be liable for breach of consent and any annual charges, even if you are no longer on site. Your application for the transfer will be processed within 21 days of receipt, and both you and the new Consent Holder will be notified of the outcome. The actual date of transfer will be the later of either the date you request, or the date on which we confirm the transfer has been processed.

Please do not hesitate to contact me if you have any queries.

Yours sincerely

GILLIAN KUSINSKI
Regulatory Officer (Water Quality)
