

DO NOT SCALE FROM THIS DRAWING

LEGEND

- Site boundary
- ✗ Outfall of the surface water sewer network to the environment at Sully Brook

Notes:
 The drawing must be read in conjunction with the Construction Surface Water Management Plan.

The drawing is not meant to be an accurate base plan but is used to present the general relative locations of features on, and surrounding, the site. Features annotated on site plans are not drawn to scale but are centered over the approximate location. Such features should not be used for setting out and should be considered indicative only.
