Spreading Method																			
Signature:										Name:									
Date:										TONY MORGAN									
I declare that I have given permission for the fields listed below to be used for spreading with waste materials and that the information provided is to the best of my knowledge correct. I also understand that if waste materials, organic fertilisers or soil improvers are applied must wait at least three weeks before grazing animals or harvesting forage crops in those fields. Pigs must not be allowed to the land for a period of 60 days
