3. What will happen next?

Any non-compliance we have identified and recorded on this form is an offence. It can result in criminal prosecution and/or suspension or revocation of your permit.

You are non-compliant with your permit.

At this time, we are issuing you with a warning for the non-compliance recorded above. Warnings may influence future enforcement response for continued or further non-compliance.

This statement does not stop us from taking additional enforcement action if further relevant information comes to light or offences continue.

4. Details of our assessment

This Compliance Assessment Report (CAR) Form has been written to assess the Annual Returns data required to be reported for this permit.

WQ-C2 - Emissions to Land WQ-C4 - Monitoring

The information contained within the annual report for **2024** indicates that monitoring was carried out against all parameters set out in table S3.4 of the permit. Some parameters have emission-to-land limit values; all of the reported results were below the permitted limits for these parameters.

The information contained within the annual report for **2025** indicates that monitoring was carried out against all parameters set out in table S3.4 of the permit. Some parameters have emission-to-land limit values; all of the reported results were below the permitted limits for these parameters.

WQ-D2 - Reporting

Annual Returns for 2024 and for 2025 were submitted to NRW on 19th June 2026. NRW would like to remind the operator of the following:

Permit condition 4.2.2 requires that the required reporting information is submitted to NRW within 28 days of the end of the reporting period - i.e. by 28th January of the following year.

Lateness in the reporting has resulted in a C3 non-compliance score against Compliance Criteria WQ-D2 above.

Action 1: Ensure that future annual returns are reported to NRW by 28th January of the following year.

If you have any queries about this report, or to discuss completion of any actions, please contact the NRW Officer named above.

Important information

Legal status of this report

Your permit is issued to you under the Environmental Permitting Regulations. You have a responsibility to comply with the conditions of your permit and prevent pollution/harm to the environment. You must also ensure that you comply with any other relevant legislation that may apply to your site's operations.

This report explains the findings of our assessment and any action you are required to take. We categorise non-compliance using our guidance for assessing non-compliance at regulated sites.

When we find potential non-compliance/s we will normally give you advice on how to maintain compliance.

To correct non-compliance, we may:

- require you to take specific actions
- issue a notice
- review the conditions of your permit.

Any advice and guidance we give will be without prejudice to any other enforcement response that we consider may be required.

Assessment results and non-compliance categories (used in section 1):

Assessment result	Description
Assessed (A)	Assessed or assessed in part, no evidence of non-compliance found
Action only (X)	Action required for the permit condition assessed to avoid non-compliance. No non-compliance scored at this time
