LICENCE TO CARRY OUT COASTAL DEFENCE WORKS AND TO REMOVE REMAINS OF OLD CONCRETE SLIPWAY FROM FAIRBOURNE, GWYNEDD

LICENCE NUMBER: CML1843v1

I am pleased to advise you that the Marine Licensing Team within Natural Resources Wales, on behalf of the Welsh Ministers, as Licensing Authority, has considered Variation application form received 28 January 2019 requesting a variation to include additional works to a Marine Licence under Part 4 of the Marine and Coastal Access Act 2009, and hereby grant the Marine Licence for you to undertake the above stated works.

Accordingly, please find attached for your review and retention a copy of Marine Licence CML1843v1 and its conditions. Please note that Marine Licence CML1843v1 supersedes Marine Licence CML1843 in its entirety.

The licence has been varied to include the removal of a concrete slipway toe and protruding stainless steel bars from the beach at Fairbourne.

Advisory Note

Marine Licence, **CML1843v1**, constitutes a statutory consent; therefore the conditions set out herein must be complied with in full and will be binding upon any agent or contractor who undertakes any activity on the project on your behalf.

Marine Licence, CML1843v1 is solely granted for the work to be undertaken with the area specified in the Licence; however, it does not absolve you from applying for further consents or licences as necessary to enable the full completion of your project.

If the works authorised by this Licence are unlikely to be completed by the expiry date, the Licence Holder should apply for a replacement marine licence **at least 4 months** prior to the expiry date of this Licence.

Should you require clarification as to the reasons for the inclusion of any of the conditions attached to the Licence then you must request written notice within 28 days of the receipt of this letter.

Finally, once again, please ensure you have read and understood Marine Licence CML1843v1. Should you have any queries with regards to your Marine Licence then please do not hesitate to contact the Marine Licensing Team.

If the UK leaves the EU - either with or without a deal - the legal obligations relating to compliance with environmental permits and legislation will continue to apply. NRW on behalf of Welsh Ministers will continue to issue licenses in line with our current practice. If you have any questions about your permits or licenses please contact our Customer Care Centre on 03000 653 000.

Yours sincerely

Peter Morrison
