Dear Mr Cullen

MARINE AND COASTAL ACCESS ACT 2009: PART 4 – MARINE LICENSING

LICENCE TO UNDERTAKE BEACH MANAGEMENT ACTIVITIES AT BARMOUTH BEACH

LICENCE NUMBER: BUML1870

I am writing to advise you that the Marine Licensing Team, on behalf of the Welsh Ministers, as Licensing Authority, has considered your application, dated 31 January 2018 for a Marine Licence under Part 4 of the Marine and Coastal Access Act 2009, and hereby grant a Marine Licence for you to undertake the above stated works.

Accordingly, please find attached for your review and retention a copy of Marine Licence BUML1870 and its conditions.

Advisory Note

Marine Licence, BUML1870, constitutes a statutory consent; therefore, the conditions set out herein must be complied with in full and will be binding upon any agent or contractor who undertakes any activity on the project on your behalf.

You are urged to read the conditions of Marine Licence BUML1870 carefully, in particular the need to advise our Marine Enforcement Officers of the commencement of works within 10 days prior to work starting.

Marine Licence, BUML1870 is solely granted for the work to be undertaken at Barmouth Beach; however, it does not absolve you from applying for further consents or licences as necessary to enable the full completion of your project.

If the works authorised by this Licence are unlikely to be completed by the expiry date, the Licence Holder should apply for a replacement marine licence at least 4 months prior to the expiry date of this Licence.

NRW advisory note

Where possible, sand should be deposited to avoid any areas of fine mud, located around the low water mark.

Recommendations outlined in Section 4.0 of the Environmental Assessment Report should be adhered to, to prevent pollution and the introduction of invasive non-native species. Please ensure the contractor is made aware of the potential for buried peat deposits and for wreck material and that should any obvious archaeological remains or deposits be identified during the works, they contact Gwynedd Archaeological Planning Service.

Should you require clarification as to the reasons for the inclusion of any of the conditions attached to the Licence then you must request written notice within 28 days of the receipt of this letter.

Rights of appeal

You have the right of appeal to the Welsh Ministers against this decision. The Appeal must be made in accordance with the Marine Licensing (Appeals Against Licensing Decisions) (Wales) Regulations 2011.

A notice of appeal must be received by the Welsh Ministers within six months beginning with the date of the decision to which the appeal relates.

Please be aware that the Welsh Government has changed the Marine Licensing fees and charges in Wales. You will be charged for any post licensing work associated with your licence. If you have any queries regarding the fee changes, please email the Marine Licensing Team via marinelicensing@naturalresourceswales.gov.uk

Yours sincerely
