Dear Sir/Madam

Transfer of permit

Permit reference: BP0211001

Operator: British Overseas Bank Nominees WGTC Nominees Ltd

Facility: Pumping Station Parc Trostre, Parc Trostre Retail Park, Llanelli, SA14 9UY

Thank you for your notification of transfer. I confirm that the transfer of the environmental permit from Stadium Retail Investments to you will take effect from 28/09/2015.

I enclose a transfer notice which shows the legal details of the transfer. Please keep this in a safe place with your environmental permit. The permit should have been passed to you by the previous operator during the handover of the property or business. If you don't have a copy of the permit you must contact your local office to get one. Telephone our Customer Service Centre on 0300 065 3000 and they will put you in touch with an area officer.

You will need to look at the document 'How to comply with your environmental permit' as this will help you understand how to meet the conditions of the permit. You can find this on our website at <http://naturalresources.wales/media/2124/how-to-comply-with-your-environmental-permit-additional-guidance-for-water-discharge-and-groundwater-from-point-source.pdf>

If you wish to keep your records at a site other than that of the facility, you will need to tell your local area officer within 20 working days of receiving this letter. If you do not hear back from them within a further 20 working days please take this to mean we have agreed your record keeping location.
