Introduction

As part of the visual assessment process, photographs have been taken to illustrate views from a number of representative viewpoints. These baseline photographs, as well as Type 1 visualisations (annotated viewpoint photographs) are displayed in this Appendix. All images shown are full frame images; no images have been cropped. The viewpoint locations and directions of view are shown on Figure 8.3 LVIA Viewpoints.

Further detail explaining the selection of viewpoints and describing the photographic equipment used can be found in Appendix 8.1 LVIA Methodology.
