Apply for a new bespoke waste permit

Tell us what type of applicant you are

Choose one
A registered company or other corporate body (including a Limited Liability Partnership)

Tell us about your application as a registered company or other corporate body

Add your company details. The address must be the one on record at Companies House (opens in a new tab).

Company name	J and A Young (Leicester) Liimited
Company registration number	01222186
Address	15 Saxon Way East, Oakley Hay Industrial Estate, Corby, Northants, United Kingdom
Address continued	-
Postcode	NN18 9EY
Contact number	07815006863
Mobile	-
Email	kirsty.struthers@jayplas.co.uk

Date of registration (DD/MM/YYYY)
07/08/1975

Tell us who we can talk to about this application

Provide the consultant or agent's details	
Title	Mrs
Full name	Kirsty Struthers
Last name	-
Address	15 Saxon Way East, Oakley Hay Industrial Estate, Corby, Northants, United Kingdom
Address continued	-
Postcode	NN18 9EY
Contact number	07815006863
Mobile	-
Email	kirsty.struthers@jayplas.co.uk

Can we talk to the same person about your operation?

Select
Yes

Tell us who we can talk to about billing

Billing contact details	
Title	Mr
Full name	Craig Johnston
Second name	-
Address	15 Saxon Way East, Oakley Hay Industrial Estate, Corby, Northants, United Kingdom
Address continued	-
Postcode	NN18 9EY
Contact number	07545 735076
Mobile	-
Email	purchaseledger@jayplas.co.uk

Tell us if you are applying for a bespoke mobile plant permit

Select
No

Tell us about the site's landowner

We are asking for this so we can contact the site's landowner to ensure they are:

• fully aware of any permit applications for waste activities on their land
• able to understand their potential liabilities

Is the applicant the landowner for this site?

No

[redacted]

[redacted]

Tell us about the site

If you have more than one facility on the site, you need to give us the national grid reference for each facility.

The site means all the land the facility occupies.

Grid Reference Finder (opens in a new tab)

Site name	Jayplas Tredegar
Address	Tafarnaubach Industrial Estate, Tredegar, Blaenau Gwent,
Postcode	NP22 3AA
National grid reference for the site (12 digits)	SO1210810878
National grid reference for the regulated facility, if different from above	-

Upload your site plan

Check that your site plan is what we need (opens in a new tab).

We will treat the site boundary as the boundary of the activities unless there is a defined area within this on the site plan which clearly shows where the permitted activities are to take place. This may be important to you if your proposed activities only occupy a small portion of a larger site.

- File: 08- Tredegar-Env-06 (Fire Management).pdf - Download
- File: 14 - Tredegar - Env - 10 (Hydrants + Cannons.pdf - Download

Give us a site condition report

Check what you need to include in your site condition report (horizontal guidance H5) (opens in a new tab).

Upload your site condition report.

- [redacted]
- File: 18 - Coal Authority Report Tredegar Site.pdf - Download

Give us a non-technical summary of your application

Check what needs to be in your non-technical summary (opens in a new tab).

- [redacted]
- File: 23 - Site Drainage and Infrastructure V1.pdf - Download
- File: 25 - Proposed Schedule 1 Treatment Descriptions.pdf - Download

Tell us about the activities you want to do

Waste activity 1

Waste activity name	physical treatment of non-hazardous plastic waste, Storage of waste with directly associated yard runoff to surface water
Describe the waste activity	Storage and treatment of Non-hazardous waste
Disposal and recovery codes	R3,R5,R12,R13,D15
Hazardous waste treatment capacity (if it applies)	0
Non-hazardous waste treatment capacity	576

Tell us about the total storage capacity

By ‘total storage capacity’, we mean the maximum amount of waste, in tonnes, you are able to store on the site at any one time

Total storage capacity of non-hazardous waste	10,000
Total storage capacity of hazardous waste	0
Total annual throughput in tonnes per year	120,000

Tell us about the type of waste you will accept on site

Give the List of Wastes catalogue code (opens in a new tab) and description e.g. 06 01 02, Hydrochloric acid

Your document must include a description of any wastes ending in 99.

- File: 19 - Waste Types Accepted.pdf - Download

Do you plan to treat batteries?

Select

No

Have you applied to deposit waste for recovery?

Select

No

Give us an environmental risk assessment

Provide an assessment of the risks your proposed regulated facility poses to the environment. The risk assessment must use H1 or an equivalent method (opens in a new tab).

- File: 17 - Environmental Risk Assessment.pdf - Download

Do you need to tell us about point source emissions to air?

Select
No

Do you need to tell us about point source emissions to water (not sewers)?

Select
Yes

Point source emissions to water (not sewers)

Point source emissions to water (not sewers)	
Emission point reference and location 1	SO 1231310992
Source	Interceptor release point from external yard storage area
Parameter	Visible Oil and grease
Amount	N/A
Unit	N/A

Do you need to tell us about point source emissions to sewers, effluent treatment plants or other transfers off-site?

Select
No

Do you need to tell us about point source emissions to land?

Select
No

Give us a site plan that shows emission points

If you have told us there will be emissions, you will need to give us a site plan.

Give a unique reference for each emission point and a description of the location, including the site plan reference that shows the emission point.

- File: 09 - Tredegar-Env-04 (Existing SW).pdf - Download

Tell us about your technical or other relevant standard

List the relevant technical guidance notes (opens in a new tab) or other relevant standard you are planning to use. Your documents should summarise the main measures you use to control the issues identified in the H1 assessment.
Fire prevention and mitigation plan: waste management guidance H1 Environmental risk assessment Pollution Prevention Guidance How to comply with your environmental permit guidance S5.06 Guidance for the recovery and disposal of hazardous and nonhazardous waste - - -

Did the technical guidance note or H1 assessment shown that emission of substances not controlled by emission limits are an important issue?

Select
No

If you think that fugitive emissions are unlikely to be a problem

If you think that fugitive emissions are unlikely to be a problem, briefly explain why
N/A

Did the technical guidance note or H1 assessment show that odours are an important issue?

Select
No

If you think that odour is unlikely to be a problem

If you think that odour is unlikely to be a problem from your activities, briefly describe why
Plastic recyclables received do not contain materials that will cause odours

Did your technical guidance note or H1 assessment show that noise or vibration are important issues?

Select
No

If you think that noise is unlikely to be a problem

If you think that noise is unlikely to be a problem from your activities, briefly describe why
All treatment will be performed in a building with new modern equipment and site is located away from receptors

Did our fire prevention guidance or your H1 assessment show that fire risk is an important issue?

Select
Yes

Upload your fire prevention and mitigation plan

Check how to produce a fire prevention mitigation plan (opens in a new tab).

Upload your plan

- File: 20 - Fire Prevention and Mitigation Plan.pdf - Download
- File: 06 - Tredegar-Env-07 (Receptor Plan).pdf - Download
- File: 08- Tredegar-Env-06 (Fire Management).pdf - Download
- File: 14 - Tredegar - Env - 10 (Hydrants + Cannons.pdf - Download
- File: 10 - Tredegar-Env-05 (Proposed SW).pdf - Download
- File: 21 - Complaint Form TRE ENV 008.pdf - Download
- File: 22 - TRE ENV 009 - Environmental Monitoring Record.pdf - Download

Tell us about your emissions monitoring measures

Upload your description of the measures you use to monitor emissions. Refer to each emission point and describe any environmental monitoring.

Include: how often you use these measures the methods you use the procedures you followed to assess the measures

- File: 24 - Monitoring emissions.pdf - Download

Upload your assessment of the sampling locations used to measure point source emissions to air.

The assessment must use technical guidance note M1: sampling requirements for stack emission monitoring (opens in a new tab)

- File: 24 - Monitoring emissions.pdf - Download

Give information for clinical waste

Does your activity involve clinical waste?

No

Does your activity involve hazardous waste recovery and disposal?

Select

No

Does your activity involve recovery to land for agricultural benefit of compost like outputs from treatment of municipal mixed wastes?

Select

No

Does your activity involve inert landfill?

Select

No

Tell us if the waste operation/s could involve releasing any substance into water

Could the waste operation or installation involve releasing any substance into any of the following?

None

Tell us the name of the sewerage undertaker, the harbour authority and/or the fisheries committee
Welsh Water

Tell us about any relevant offences

You must tell us if a relevant person has been convicted of a relevant offence. A relevant person is you, or anyone connected to the permit holder.

Find out about relevant convictions for waste and installations environmental permits - GOV.UK (opens in a new tab)

Find out about relevant people in Defra Core Guidance on Environmental Permitting – GOV.UK (opens in a new tab)

Has a relevant person been convicted of a relevant offence?

No

Tell us about your technical ability

Do you already hold the relevant, formal qualifications to manage your facility?

Yes

If you have a relevant qualification, upload all original and continuing competence evidence

If you've registered with a scheme but not yet completed it, upload evidence that you've registered

- File: 01 - Ryan Moulton Wamitab Certificate.pdf - Download
- File: 02 - Ryan Moulton 26_01_28.pdf - Download

Tell us about insolvency or bankruptcy

If you or any relevant person have current or past bankruptcy or insolvency proceedings against you, you'll need to tell us about: any insolvency or bankruptcy proceedings against you or any relevant person. the required set-up costs (including infrastructure), maintenance and clean up costs for the proposed facility against which a credit check may be assessed We may also want to contact a credit reference agency to verify your financial standing. You are giving your consent to this check by completing and submitting the application form.

Do you or any relevant person have current or past bankruptcy or insolvency proceedings against you?

No

Tell us about your management system

What management system will you provide for your regulated facility?

Own management system

Upload your management system
• File: 03 - Environmental Management System Summary V1.pdf - Download

Confirm that your management system meet the conditions set out in the guidance.
Yes

How we collect your personal data

I have read and understood this information
Yes

Freedom of Information

I have read and understood this information
Yes

Do you want to make a confidentiality claim?

You can ask for information to be made confidential by enclosing a letter with your application giving your reasons. If we agree with your request, we will tell you and not include the information in the public register. If we do not agree with your request, we will let you know how to appeal against our decision, or you can withdraw your application. Do you want to make a confidentiality claim?
No

National security

Do you want to attach your letter to Welsh Ministers?
No

Sign the declaration

I declare that the information in this application is true to the best of my knowledge and belief. I understand that this application may be refused or approval withdrawn if I give false or incomplete information.

I understand that if I knowingly or recklessly make a false or misleading statement:
• I may be prosecuted; and
• if convicted, I may have to pay a fine and/or go to prison

By signing below, you are confirming that you understand and agree with the declaration above

Full name	Kirsty Struthers
On behalf of (if relevant)	-
Today's date	23/10/2026

Do you need to upload additional declarations?

Yes

Upload additional declarations

Check what must be included in any additional declarations (opens in a new tab).

If you knowingly or recklessly make a statement which is false or misleading to help you get an environmental permit (for yourself or another person), you are committing an offence under the Environmental Permitting (England and Wales) Regulations 2016.

- File: 26. Authority Letter to sign on behalf of relevant person.pdf - Download

Tell us how you will pay

Select

Bank transfer

Create a payment reference

You will need to give us this reference when you pay for your permit application.

Start your reference with 'EPR' followed by the first nine letters of your organisation name then a four-digit number.

For a company named Joe Bloggs Ltd, the reference number might be:

EPRJOEBLOGGS0001

Enter your reference

EPRJANDAYOUN0100

Enter the total payment

Check our charges for waste permit applications (opens in new tab).

£13109

If the payment is made up of several parts, list them. For example:

£xxxx permit base charge
£xxxx location assessment

£10622 Base Charge for bespoke permit
£2487 Reviewing Fire and mitigation plans
