Dear Mr Irving,

We need more information about your application

Application reference: PAN-031418
Operator: 2 Agriculture Growing Ltd
Facility: Snead Poultry Complex

Thank you for your application received on 17/02/2026. We have started to assess your application but unfortunately there is information missing which we require for it to be determined. Your application is therefore not duly made.

I need to ask you for some more information before I can do any more work on it. Please see further information below:

Environmental Management System

Please provide a summary of your Environmental Management System (EMS). We note that you have provided some documents that form part of the EMS; however, we require a summary of the EMS as a whole.

For further guidance on what should be included in the EMS summary, please refer to How to comply with your environmental permit.

Declaration

The Company details provided in application form Part A, section 5, do not align with the transferee details provided in the declaration in application form Part F1, section 7e. Information provided by you within correspondence following initial checks on the application suggested that the company details of the transferee should be 2 Agriculture Growing Ltd. Therefore, please confirm that the applicant / transferee company details should be as follows:

Company name: 2 Agriculture Growing Limited

Company registration number: 05969169

Please reply within 10 working days from the date of this letter. If we don't hear from you we must return your application and fee. We will keep 14% of the charge to cover the cost of the assessment work done.

If you email or write to us please quote the application reference PAN-031418 on any correspondence and send it to the relevant address below.

When we receive the missing items we'll continue to check the details in your application. If there's enough there for us to begin the process of deciding whether or not we can grant your application we say the application is 'duly made' and we'll let you know this by letter.

Please quote our reference if you contact us. If you have any questions please phone us on 0300 065 3000 or email installationspermitting@naturalresourceswales.gov.uk.

Yours sincerely

Claudia Lee
Permitting Officer
