Result types are explained in more detail in the 'Important Information' section below.

2. What action is required?

No action required.

3. What will happen next?

Any non-compliance we have identified and recorded on this form is an offence. It can result in criminal prosecution and/or suspension or revocation of your permit.

At this time, we do not intend to take any further action.

This statement does not stop us from taking additional enforcement action if further relevant information comes to light or offences continue.

4. Details of our assessment

CARS form generated following a regulation monitoring failure at GWERSYLL LLANUWCHLLYN SWIMMING POOL Urdd Gobaith Cymru. Permit Number CM0085301.

A sample taken on the 30/07/2026 has failed. The pool water cannot exceed 25 degrees celsius, the sample taken was 26.7 degrees celsius.

This is the second time the sample has failed for water temperature with a previous sample failing on 21/04/2026. A CARS form was sent out for this previous failure under CAR_NRW0051570.

Action

Investigate the suitability of this final sample point. Why did the pool water exceed 25 degrees when the sample was taken and what action will be taken to prevent any future failures?

Deadline

Please respond to the action in this CARS form by **04/09/2026**.

Amnedment to this CARS 13/10/2026

After investigation it has been deemed that the sample taken was not representitive of the discharge and will not be scored for compliance.

If you have any queries about this report, or to discuss completion of any actions, please contact the NRW Officer named above.

Important information

Legal status of this report

Your permit is issued to you under the Environmental Permitting Regulations. You have a responsibility to comply with the conditions of your permit and prevent pollution/harm to the environment. You must also ensure that you comply with any other relevant legislation that may apply to your site's operations.

This report explains the findings of our assessment and any action you are required to take. We categorise non-compliance using our guidance for assessing non-compliance at regulated sites.

When we find potential non-compliance/s we will normally give you advice on how to maintain compliance.

To correct non-compliance, we may:

- require you to take specific actions
- issue a notice
- review the conditions of your permit.

Any advice and guidance we give will be without prejudice to any other enforcement response that we consider may be required.

Assessment results and non-compliance categories (used in section 1):

Assessment result	Description
Assessed (A)	Assessed or assessed in part, no evidence of non-compliance found
Action only (X)	Action required for the permit condition assessed to avoid non-compliance. No non-compliance scored at this time
Ongoing (O)	Ongoing non-compliance, not scored

Non-compliance category	Description
C1 Major	Potential to have a major, serious, persistent and/or extensive impact or effect on the environment, people and/or property
C2 Significant	Potential to have a significant impact or effect on the environment, people and/or property
C3 Minor	Potential to have a minor or minimal impact or effect on the environment, people and/or property
C4 No environmental impact	Non-compliance at a regulated site that cannot foreseeably have any impact on the environment, people and/or property
