Brief description of licence variation that is required.

(Identify licence condition numbers and reference the supporting documents within your current licence which are likely to be affected)

The Marine Licence Application Form states the company name 'Stena line' with the company number 01402237 which on companies house refers to 'Stena Line Limited'. Stena wish to amend the name to 'Stena Line Ports Limited' with the company number 01593558, same address. This is to correct an administrative error and ensure that the licence marries with the Harbour Revision Order submitted under 'Stena Line Ports Limited' and assure the Welsh Government that SLPL has a marine licence to undertake the work. The consented Environmental Statement did state that it was prepared on behalf of 'Stena Line Ports Ltd' to support the marine licence application. The draft HRO Order and HRO application statement in support of the project are attached, explaining in paragraph 1.5 and Section 3 why Fishguard and Rosslare Railways and Harbours Company ('FRRHCo') is the applicant for the HRO (as the statutory harbour authority) and the relationship between FRRHCo and Stena Line Ports Limited who own and operate the existing facilities' at Fishguard.
