Dear Sir/Madam,

VIVOD ESTATE

**APPLICATION FOR A TECHNICAL VARIATION OF EXISTING SURFACE WATER ABSTRACTION LICENCE
(24/67/5/20/S)**

Please find enclosed a technical variation application on behalf of Vivod Estate for their abstraction licence (24/67/5/20/S).

The application is to vary the quantities of water authorised to be abstracted from 5,575m³/year (1,226,100 gallons/year) to 57,181m³/year. This application is necessitated due to the volume of water required to support the domestic water supply

Enclosed is:

- Application form WRA and WRD along with associated Figures and continuation sheet for further information.
- A letter of authorisation from Vivod Estate allowing Envireau Water to sign forms relating to the abstraction licence variation application and liaise with National Resources Wales on their behalf.

Please contact us on 01332 871882 to arrange payment of the £135 application fee by credit card.

We look forward to receiving the varied licence in due course but in the meantime if you would like to discuss any aspect of the application then please do not hesitate to contact us.

Please also ensure that a draft licence is sent to Envireau Water before final sign off, so we are able to check it prior to finalisation and all correspondence regarding the application is directed to Envireau Water so we are able to respond promptly.

Yours faithfully,

Lee Clarke MSc CGeol FGS
