Dear Sir / Madam

Application for Variation to Environmental Permit EPR/AB3591ZQ, Maelor Foods Limited - Maelor Poultry Processing Plant, Pickhill Lane, Cross Lanes, Wrexham, LL13 0UE

Please find enclosed our application for a standard variation to our environmental permit for the following changes to our installation:

1. Use of an existing building for temporary holding of the live bird vehicles.
2. Use of existing hard-standing area between new live bird holding building and wastewater treatment plant for general storage and HGV trailer parking.
3. Use of a second gassing pit for bird stunning.

We understand that these changes can be addressed by a standard variation and we have therefore calculated the application fee as £4,814 based on our current EP OPRA profile.

Yours faithfully
