Dear Mr Andrew Davies

We need more information about your application

Application reference: PAN-004671

Operator: Mr Andrew Davies

Facility: Rhydywernen Farm

Thank you for your application received on 12/02/2019. The following is to confirm our conversation on 25/02/2019.

Unfortunately the declaration is not complete to say this is a valid application. Please make sure all relevant persons complete this and send it back to us. Relevant people means each applicant, and in the case of a company, a director, manager, company secretary or any similar officer or employee. In the case of a Limited Liability Partnership (LLP), it includes any partner. Please see below.

We need to ask you for some more information before we can do any more work on it. Please would you:

- provide us with the names of all the operators to be named on the permit as well as signed declarations for each person. As per Regulatory Guidance Note 1 on our website "trading or business names (for example 'Emission Services & Co') are not legal persons and neither are partnership names (for example 'Smith Brothers') and so cannot hold permits".
- confirm how many days a year you propose to spread your sheep dip. You indicated that you propose to spread in August but did not state the number of days you plan to spread.
- provide us with the maximum volume of used working strength sheep dip you propose to spread in one day.

If you need advice about how to complete the form, please contact your local area office. Call 0300 065 3000 and ask to speak to your local area office or your site officer.
