Dear Mr. Webb,

In application form Part C2, you have stated that the site boundary is not increasing, however you have submitted a site condition report.

ACTION:

Please confirm if you are proposing to increase the permitted area.

Please note that if you are not increasing the permitted area we will not assess the site condition report, as the site is already operational under the standard rules permit.

If you have any queries, please let me know.

Kind regards,
Kate
