Section 1 – Compliance Assessment Summary

This is based on the requirements of the permit under the Environmental Permitting Regulations or the licence under the Water Resources Act 1991 as amended by the Water Act 2003. A detailed explanation is captured in "Compliance Assessment Report Detail" (Section 2) and any actions you may need to take are given in the "Action(s)" (section 4). This summary details where we believe any non-compliance with the permit has occurred, the relevant condition and how the non-compliance has been categorised using our Compliance Classification Scheme (CCS). CCS Scores can be consolidated or suspended where appropriate, to reflect the impact of some non-compliances more accurately. For more details of our CCS scheme, contact your local office.

Officer Alex BOWDER attended European Metal Recycling Limited (EMR), Dowlais Wharf at 10:30 on Thursday 12 December 2019 to carry out a routine inspection of permit **EPR- ZP3795FD**. Met with business representatives Nicola RUSHTON, Martin CROSSMAN and James CROSS who accompanied the Officer around the permitted area and explained the operational procedures on site. The weather conditions were wet at the time of visit.

TECHNICALLY COMPETENT MANAGER (TCM)

The designated TCM for the site is Mr. Martin CROSSMAN who accompanied Officer around the permitted area. The business has stated that it will send the updated continuing competency certificate once completed.

SITE INSPECTION

No vehicles were being depolluted at the time of inspection. All removed batteries were stored in a suitable sealed container. The infrastructure for this area seemed in reasonable condition. The drainage for this section of the yard is the same as the rest of the site and connects to the interceptor system.

All vehicles are treated under the shelter canopy. There were some units waiting for depollution stored outside the station.

Tyres are stored in an allocated skip and removed to an authorised facility once a high enough tonnage is reached.

No breaches were recorded for this permit.

WASTE RETURNS

The business' next Waste Return is due in 31 January 2020. Please ensure the most recent Return

template is filled out that captures the competent person certification on the site information tab - this can be downloaded from our website.

Section 3 – Enforcement Response

You must take immediate action to rectify any non-compliance and prevent repetition. Non-compliance with your permit conditions constitutes an offence and can result in criminal prosecutions and/or suspension or revocation of a permit. Please read the detailed assessment in Section 2 and the steps you need to take in Section 4 below.

Section 4 – Action(s)

This section summarises the actions identified during the assessment along with the timescales for when they will need to be completed.

Criteria Ref.	CCS Category	Action required/advised	Due Date
See Section 1 above			

Section 5 – Compliance notes for the Operator

To ensure you correct actual or potential non-compliance we may

- Advise on corrective actions verbally or in writing
- Require you to take specific actions verbally or in writing
- Issue a notice
- Require you to review your procedures or management system
- Change some of the conditions of your permit
- Decide to undertake a full review of your permit

Any breach of a permit condition is an offence and we may take legal action against you

- We will normally provide advice and guidance to assist you to come back into compliance either after an offence is committed or where we consider that an offence is likely to be committed. This is without prejudice to any other enforcement response that we consider may be required.
- Enforcement action can include the issue of a formal caution, prosecution, the service of a notice and/or suspension or revocation of the permit.

See our Enforcement and Civil Sanctions guidance for further information

This report does not relieve the site operator of the responsibility to

- Ensure you comply with the conditions of the permit at all times and prevent pollution of the environment
- Ensure you comply with other legislative provisions which may apply

Non-compliance scores and categories
