Groundwater is currently abstracted on site from two boreholes, under Licence WA/057/0031/004.

A groundwater abstraction licence is being applied for to enable an increase in abstraction from the Ambulance Station Catch-pit, to fulfil increased demand for irrigation of sports pitches within the Vale Resort. Full details are provided in and with Form WRD. This Form WRA relates to this application. The proposal is to add the abstraction to the existing licence WA/057/0031/004

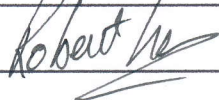

A surface water abstraction licence is to be applied for through separate Forms WRA and WRD. This form does not relate to this application, but the proposed location of the abstraction is shown on the supporting map.
