## Introductory note

### This introductory note does not form a part of the notice

The following notice gives notice of the transfer of an environmental permit to a new operator (the transferee).

This transfer notice transfers the permit in full, from Infinis (Re-Gen) Limited to Enovert South Limited. There is a limited change in management as a result of this full transfer, there are no changes to the permit conditions.

As part of this transfer a minor administrative variation was completed to correct an error in the permit. The site address postcode was changed from SA7 9XT to SA1 8LN.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
