Dear Mrs Lloyd,

Invalid Application

Application numbers - PAN-006111 and PAN-006112

We have received your application for a licence, but it is not complete.

You have not provided details in part of the application form:

1. The signature provided on form WRE is not suitable for a Natural Resources Wales licence application.
 - Please amend with an appropriate 'Head of Place' signatory for authorisation.
2. Section 2.1 – National Grid Reference for each bank
 - Please clarify the correct NGR's for this section, specifically the left bank.
3. Drawings
 - The drawings submitted are suitable for the consultation, however during determination we may request updated drawings for inclusion on the licence.

If you have any questions about your application, please contact me (see below for details).

Yours sincerely,

Alex Cowell
